Contact: post@eclipsenmbu.no

Document ID: 26H-ECL-GA-FULL1

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

Purpose: every document in the General Assembly document set, bound together in one printable edition, in the order given below. Each document keeps its own Document ID, cover and pagination; this edition adds no new content of its own beyond this page and the blank pages at the end.

Binding: this edition is padded with blank pages so its total page count is a multiple of 8, for book-binding in 8-page signatures.

Contents, in document order

Contents

1. Meeting details 1

2. Nature of this General Assembly 1

3. Deadlines 1

4. Case Papers 2

5. Voting rights 2

Document ID: 26H-ECL-GA-NOT1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Governing Bylaws: Old Bylaws (gamle vedtekter). Notice and deadlines follow Old Bylaws §4.5 and §4.6.
Cross-references: Overview (26H-ECL-GA-OVW1), Agenda (26H-ECL-GA-AGD1), Case Template (26H-ECL-GA-TPL1), Amendment Submission Procedure (26H-ECL-GA-PROC1), Bylaw Amendment Proposal (26H-ECL-GA-CASE4A/4B/4C), Meeting Protocol (26H-ECL-GA-PROT1).

1. Meeting details

- **Date:** 30 September 2026
- **Time:** 12:15
- **Location:** Festsalen, NMBU

2. Nature of this General Assembly

This is a General Assembly with elections (valggeneralforsamling). All four Board (styret) positions are up for election, per Old Bylaws §4.7.

Case 5 is a Bylaw Amendment: replacing the Old Bylaws with the proposed New Bylaws (nye vedtekter). See the Bylaw Amendment Proposal, 26H-ECL-GA-CASE4A/4B/4C. Adoption requires 2/3 of all members of Eclipse NMBU to vote in favour, per Old Bylaws §4.6.

Cases 6 and 7 elect the Board. Case 6 fixes the C-suite structure that follows from the result of Case 5, and Case 7 then elects the four Board members into that structure, following the Old Bylaws §4.7 election mechanics. See the Agenda, 26H-ECL-GA-AGD1.

3. Deadlines

- **Case Papers (sakspapirer)** are available to members no later than **23 September 2026**, one week before the General Assembly, per Old Bylaws §4.5.
- **Bylaw Amendment proposal:** must reach the Board no later than **23 September 2026**, one week before the General Assembly, per Old Bylaws §4.6. It is published with the Case Papers.
- **Amendments (endringsforslag)** to a Case on the Agenda must be submitted in writing before voting on Cases begins at the meeting. See the Amendment Submission Procedure, 26H-ECL-GA-PROC1.
- **Advance Nominations (forhåndsbenking):** candidates may notify the Board before the meeting that they are standing. Candidates who cannot attend in person may submit a written candidature; see Candidate Documentation, 26H-ECL-GA-CAND1. Nomination from the floor (benkeforslag) remains possible during the meeting itself.

4. Case Papers

Case Papers, including the Agenda, the full Bylaw Amendment Proposal and all Standard Case Papers, are made available to members no later than 23 September 2026, per Old Bylaws §4.5. The Overview, 26H-ECL-GA-OVW1, lists every document in the set.

5. Voting rights

Per Old Bylaws §10.2, Board Members, Core Members and Active Members have voting rights and are eligible for office. All members, including Inactive Members, have the right to attend. Proxy voting is not permitted (Old Bylaws §4.3). No member may vote on another member's behalf, in person or by any form of power of attorney.

Festsalen, NMBU, Ås, 30 September 2026, 12:15

Contact: post@eclipsenmbu.no

Document ID: 26H-ECL-GA-TIME1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Purpose: when to arrive, the planned running order of the meeting, and how to get to the venue. This document is informational only; it has no legal effect and does not itself set or change the Agenda (26H-ECL-GA-AGD1).

1. Timetable

Doors open / registration	From 30 minutes before 12:15. Register on arrival; this is the basis for the count of eligible voters.
Meeting starts	12:15, sharp.
Running order	Follows the Agenda, 26H-ECL-GA-AGD1, Cases 1–8 in order. Timing per Case depends on discussion; there is no fixed schedule beyond the order itself.
Expected end	[Insert best estimate once the Cases and expected discussion are known.]

2. Venue

The meeting is held in Festsalen, NMBU. Festsalen is a function room on the NMBU campus in Ås, Norway.

3. How to get there

On campus: Festsalen is in the Main Building (Urbygningen), at the centre of campus. Signposting and campus maps are available at the main entrances; ask any staffed reception point on the way in if the room is not immediately obvious.

4. Contact on the day

For last-minute questions (registration issues, finding the room, accessibility needs), contact the Board at post@eclipsenmbu.no or via the channel given in the Notice of Meeting, 26H-ECL-GA-NOT1.

Document ID: 26H-ECL-GA-AGD1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Governing Bylaws: Old Bylaws §4.8 (standard order). The Bylaw Amendment (Case 5) and the C-suite structure (Case 6) come before the Election of Board Members (Case 7), so that members know which four roles are being filled when they vote on candidates.

Cases

Each Case has its own Case Paper, identified by the Document ID given below. Amendments to a Case are presented together with that Case, per the Amendment Submission Procedure (26H-ECL-GA-PROC1).

Case 1. Constitution of the Meeting (konstituering): 26H-ECL-GA-CASE0.

a. Election of Meeting Chair (ordstyrer)
b. Election of Secretary (referent)
c. Election of Vote Counters (tellekorps): two members
d. Election of Protocol Signers (protokollunderskrivere): two members
e. Count of eligible voters present
f. Approval of the Notice of Meeting (godkjenning av innkalling)
g. Approval of the Agenda (godkjenning av saksliste)

Case 2. Approval of the previous semester's financial statements (godkjenning av regnskap fra forrige semester): 26H-ECL-GA-CASE1.

Case 3. Approval of the coming semester's budget (godkjenning av budsjett for kommende semester): 26H-ECL-GA-CASE2.

Case 4. Semester Report / Chair's Report (semesterberetning / styreleders beretning): 26H-ECL-GA-CASE3.

Case 5. Bylaw Amendment (vedtektsendring): 26H-ECL-GA-CASE4A. Attachments: plain-language explanation (26H-ECL-GA-CASE4B) and voting procedure (26H-ECL-GA-CASE4C).

Case 6. C-suite structure: 26H-ECL-GA-CASE5A (CEO/CTO/CBO/CPO) if the Bylaw Amendment was adopted under Case 5; 26H-ECL-GA-CASE5B (CEO/CTO/CFO/CMO) if it was not.

Case 7. Election of Board Members (valg av styremedlemmer): 26H-ECL-GA-CASE6A (ballot 26H-ECL-GA-BALLOT2A) if Case 6 was decided on 26H-ECL-GA-CASE5A; 26H-ECL-GA-CASE6B (ballot 26H-ECL-GA-BALLOT2B) if it was decided on 26H-ECL-GA-CASE5B.

Case 8. Other business (eventuelt). No Case Paper.

Constitution of the Meeting (konstituering)

26H-ECL-GA-CASE0 · Case 1 · Proposed by: the Board

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite's deliberation on the Constitution of the Meeting concerns the proposals for the different meeting roles set out below, and their acceptance by the General Assembly.
Background	Old Bylaws §4.8 requires the General Assembly to open by electing a Meeting Chair, Secretary, Vote Counters and Protocol Signers, and by confirming that the Notice of Meeting and the Agenda were properly issued. These steps are treated as a single Case, not several, because they are all procedural conditions for validly opening the meeting. The number of eligible voters present is recorded as part of constituting the meeting.
Proposal	The General Assembly resolves, in order: (a) to elect a Meeting Chair (ordstyrer): until elected, the person opening the meeting leads this election; (b) to elect a Secretary (referent); (c) to elect two Vote Counters (tellekorps), neutral in the Cases they count; (d) to elect two Protocol Signers (protokollunderskrivere) from among those present; (e) to record the number of eligible voters present; (f) to approve the Notice of Meeting, 26H-ECL-GA-NOT1, confirming it was distributed to members at least two weeks before this meeting (no later than 16 September 2026); (g) to approve the Agenda, 26H-ECL-GA-AGD1, as the order of business for this meeting.
External information	No further Case may be validly decided until the meeting is constituted. If the Notice of Meeting was not distributed within the required two-week deadline, the General Assembly cannot validly proceed. Attachments: Notice of Meeting (26H-ECL-GA-NOT1), Agenda (26H-ECL-GA-AGD1).

Previous Semester's Financial Statements (regnskap forrige semester)

26H-ECL-GA-CASE1 · Case 2 · Proposed by: the Board (CFO)

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	Old Bylaws §4.8(e) and §12.2: the General Assembly reviews and approves the financial statement (regnskap) for the previous semester.
Proposal	The General Assembly resolves to approve the financial statement for the previous semester, as attached.
External information	Financial consequences: none from the approval itself; the statement documents actual income and expenditure for the previous semester. Attachment: financial statement (regnskap) for the previous semester.

Coming Semester's Budget (budsjett kommende semester)

26H-ECL-GA-CASE2 · Case 3 · Proposed by: the Board (CFO)

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	Old Bylaws §4.8(f) and §12.2: the General Assembly reviews and approves the budget for the coming semester.
Proposal	The General Assembly resolves to approve the budget for the coming semester, as attached.
External information	Financial consequences: sets the spending framework for the coming semester; see the attached budget for figures. Attachment: budget (budsjett) for the coming semester.

Semester Report / Chair's Report (semesterberetning / styreleders beretning)

26H-ECL-GA-CASE3 · Case 4 · Proposed by: CEO (Styreleder)

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	Old Bylaws §4.8(g): the General Assembly receives a report on the semester's activity from the Board/CEO.
Proposal	The General Assembly resolves to note the Semester Report, as attached. This is an information item: no substantive decision is required beyond noting it.
External information	Financial consequences: none directly; financial matters are covered under Cases 4 and 5. Attachment: Semester Report.

Bylaw Amendment (vedtektsendring): Proposed New Bylaws

26H-ECL-GA-CASE4A · Case 5 · Proposed by: the Board

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposed bylaw amendment and recommends it to the General Assembly for approval.
Background	The Old Bylaws (13 sections) no longer describe how Eclipse NMBU operates. The Board proposes a full restructuring of the Bylaws (Old Bylaws §§1–13) into the attached text (18 sections, five parts). The main changes are summarised in the plain-language explanation, 26H-ECL-GA-CASE4B.
Proposal	The General Assembly resolves to replace the Old Bylaws with the attached Proposed New Bylaws, with any Amendments adopted under the voting procedure in 26H-ECL-GA-CASE4C. Adoption requires 2/3 of all members of Eclipse NMBU to vote in favour (Old Bylaws §4.6). Individual Amendments to the text pass by simple majority. The New Bylaws take effect when the Meeting Protocol (26H-ECL-GA-PROT1) is signed.
External information	The attached text is an English translation of the Norwegian draft ("Vedtekter for Eclipse NMBU: Omstrukturert utkast, 21 Sept 2026"). The Norwegian text is the controlling version unless the General Assembly adopts the English version as controlling (proposed §17.3). Section numbering and cross-references (jf. §…) follow the Norwegian draft, so the two can be checked against each other clause by clause. Attachments: Proposed New Bylaws (below), plain-language explanation (26H-ECL-GA-CASE4B), voting procedure (26H-ECL-GA-CASE4C), Norwegian original of the Old Bylaws (26H-ECL-GA-CASE4D) and of this proposed text (26H-ECL-GA-CASE4E).

Attachment: Proposed New Bylaws (nye vedtekter), full text

How to read this document

Terminology follows the Multilingual Organisational Glossary, 26H-ECL-GA-GLOSS1: established terms are written **English (Norwegian)** on first use per section. Cross-references of the form "jf. §X" point to another section of *these proposed New Bylaws*, not to the Old Bylaws, unless stated otherwise; every such cross-reference below is a clickable link to the paragraph it cites. The number in the margin next to each line is that line's number in this document, for pinpointing Amendments and discussion to an exact line.

Part I: Foundations (Del I: Grunnlag)

§1 Name and founding (Navn og stiftelse)

§1.1 Name (Navn). The Association's (foreningens) name is Eclipse NMBU.

§1.2 Founding and affiliation (Stiftelse og tilknytning). Eclipse NMBU is a voluntary student association (frivillig studentforening) at the Norwegian University of Life Sciences (NMBU), founded 9 October 2024.

§2 Purpose and core principles (Formål og grunnprinsipper)

§2.1 Purpose (Formål). Eclipse NMBU shall be a social and professional arena for students interested in space. The Association is primarily for students who are semester-registered at NMBU.

§2.2 Activity (Virksomhet). The Association's activity is voluntary and directed at research and development (R&D). The overarching vision is to develop sustainable space technology building on the UN Sustainable Development Goals.

§2.3 Core principles (Grunnprinsipper). The Association's activity is built on the following core principles:

1. **Documentation:** What is not documented in writing is not considered done.
2. **Extreme ownership:** If something goes wrong, responsibility lies with both the leadership and the individual member.

§2.4 Ethics and environment (Etikk og miljø). The Association shall, so far as possible, consider environmental and ethical factors when planning its activities. In dealings with other organisations, associations, events and clients, the Association shall seek out alternatives that safeguard ethical and environmental considerations.

§2.5 Organisational sustainability (Organisatorisk bærekraft). The Association's structure, build-up and organisation shall ensure that future generations of members can build on earlier activity, including through documentation, archiving and experience transfer (erfaringsoverføring), cf. §§10.2 and 16.5.

§3 Organisational form (Organisasjonsform)

§3.1 Independence (Uavhengighet). The Association is politically and religiously independent.

§3.2 Legal status (Juridisk status). The Association is a freestanding legal person with members, and is self-owning (selveiende). Neither members nor others have any claim on the Association's assets or property, nor are they liable for the Association's debts or other obligations.

§3.3 Operating language (Driftsspråk).

1. The Association's operating language (driftsspråk) is English.
2. All texts the Association produces in Norwegian shall be translated to English.
3. Texts in English shall be translated to Norwegian if requested.

§4 Definitions (Definisjoner og ordforklaringer)

§4.1 Scope (Virkeområde). The terms in this section apply throughout these Bylaws. The terms shall be used consistently in resolutions, protocols and other organisational documentation.

§4.2 Organs (Organer).

1. General Assembly (GF) (generalforsamling): the Association's supreme organ, cf. §8.
2. Board (styret): the Association's supreme organ between General Assemblies, cf. §12.
3. Election and Control Committee (valgog kontrollkomité): a committee elected by the General Assembly that runs elections to offices and monitors compliance with the Bylaws, cf. §13.

§4.3 Roles (Roller).

1. CEO (Chief Executive Officer): Chair of the Board (Styreleder).
2. CTO (Chief Technical Officer): Technical Lead (Teknisk ansvarlig) and Deputy Chair (nestleder).
3. CBO (Chief Business Officer): Business and Finance Lead (Forretningsog økonomiansvarlig).
4. CPO (Chief People Officer): People and Membership Lead (Personalog medlemsansvarlig).
5. Project Lead (Prosjektleder): a member with overall responsibility for carrying out a project.
6. Team Lead (Teamleder): a member responsible for a team, i.e. a subject-matter group spanning multiple projects, cf. §12.9.
7. Nearest Leader (Nærmeste leder): the role a member reports to in the Association's governance structure. For an ordinary member, the nearest leader is the Team Lead. The Team Lead reports to the Project Lead of the relevant project, and the Project Lead to the responsible Board member, cf. §16.2.
8. Responsibility Role (Ansvarsverv): an assigned and delimited leadership responsibility beyond ordinary membership, including Project Lead and Team Lead.

§4.4 Membership (Medlemskap).

1. Active Member (Aktivt medlem): synonymous with "full member". The term Active Member is used in these Bylaws, cf. §5.
2. Mentor (Mentor): membership tier for people on the Association's mentor list, cf. §5.4.
3. Alumni (Alumni): membership tier for people whose Membership Contract ended without renewal, cf. §5.4.
4. Active Period (Aktiv periode): NMBU's spring and autumn parallel, from the start of term to the beginning of the examination period.

§4.5 General Assembly and elections (Generalforsamling og valg).

1. Elective General Assembly (Valggeneralforsamling): the General Assembly in the spring semester, at which offices (tillitsverv) are elected for the coming term, cf. §8.2.

2. Supplementary General Assembly (Suppleringsgeneralforsamling): the General Assembly in the autumn semester, at which supplementary elections are held for vacant offices and for the Election and Control Committee, cf. §8.2.

3. Office (Tillitsverv): an office elected by the General Assembly for a term, including Board offices and offices on the Election and Control Committee, cf. §10.

4. Right to Propose (Forslagsrett): the right to submit Cases and Amendments at the General Assembly, cf. §5.5.

5. Amendment (Endringsforslag): a proposal to amend a Case on the Agenda, cf. §9.5.

6. Advance Nomination (Forhåndsbenking): nomination of a candidate before the General Assembly, cf. §11.3.

7. Floor Nomination (Benkeforslag): nomination of a candidate from the floor during the General Assembly, cf. §11.3.

8. Floor Speech (Benketale): a speech in which the person who made a Floor Nomination explains the nomination.

9. Advance Vote (Forhåndsstemme): a vote in an election, cast before voting in that election opens at the General Assembly, cf. §11.4.

§4.6 Meeting officers and meeting rules (Møtefunksjonærer og møteregler).

1. Meeting Chair (Ordstyrer): chairs the General Assembly, cf. §9.2.

2. Secretary (Referent): keeps the protocol of the General Assembly, cf. §9.8.

3. Vote Counters (Tellekorps): the members who count votes at the General Assembly, cf. §9.3.

4. Protocol Signer (Protokollunderskriver): a member who checks and signs the protocol, cf. §9.9.

5. Speakers' List (Taleliste): the record of who has asked for the floor, and in what order.

6. Speech (Innlegg): a speech in discussion of a Case, given in the order of the Speakers' List.

7. Reply (Replikk): a short response to the immediately preceding Speech, cf. §9.4.

8. Point of Order (Innlegg til forretningsorden): a speech about the conduct of the meeting, which takes priority over the Speakers' List.

9. Closing the Speakers' List (Strek på talelisten): a resolution that no new speakers may add themselves to the Case.

10. Voting Order (Voteringsorden): the order in which the proposals are put to a vote, cf. §9.6.

11. Protocol Note (Protokolltilførsel): a short remark a member requires entered into the protocol, cf. §9.8.

§4.7 Authority and mandate (Myndighet og fullmakt).

1. Authority (Myndighet): the decision-making power an organ or role holds directly under these Bylaws.

2. Mandate (Fullmakt): the right to make decisions and bind the Association on the CEO's behalf, within an assigned area of responsibility, cf. §14.

3. Delegation (Delegasjon): transfer of Mandate from the CEO to another Board member, cf. §14.2.

4. Signature Right (Signaturrett): the right to sign binding agreements on the Association's behalf, cf. §14.7.

5. Standing Order (Føringsorden): rules adopted by the Board as an addendum to the Bylaws, cf. §17.4.

§4.8 Finance and projects (Økonomi og prosjekter).

1. Free Funds (Frie midler): funds the Association disposes of without earmarking, cf. §15.6.

2. NASA Project Life Cycle: the framework for phase division and gate reviews in projects, in a modified version set out in the Association's governance documents, cf. §16.3.

3. MCR (Mission Concept Review): the concept review required to start a project, cf. §16.1.

4. SRR (System Requirements Review): the requirements review required to start a project, cf. §16.1.

Part II: Membership (Del II: Medlemskap)

§5 Membership (Medlemskap)

§5.1 Membership tiers (Medlemsnivåer). Eclipse NMBU operates with six membership tiers. The tiers are hierarchical, such that higher tiers hold all rights and duties belonging to the tiers below:

1. **Board Member (Styremedlem):** holds the legal and administrative responsibility for the Association.

2. **Core Member (Kjernemedlem):** a member assigned a Responsibility Role by the Board or a Board member, cf. §4.3 no. 8, including Project Lead, Team Lead or another delimited leadership responsibility.

3. **Active Member (Aktivt medlem):** a member admitted under §5.2.

4. **Mentor (Mentor):** a person on the Association's mentor list, cf. §5.4.

5. **Inactive Member (Inaktivt medlem):** a member registered in the Association who is not an Active Member.

6. **Alumni (Alumni):** a member with Alumni status, cf. §5.4.

The CPO decides whether a member is active or inactive.

§5.2 Admission and Membership Contract (Opptak og medlemskontrakt).

1. All members shall sign a Membership Contract confirming that they have read the Bylaws, and that they understand and accept the risk associated with spaceflight activity.

2. To become an Active Member, a member must have completed an interview and signed the Membership Contract.

3. The CPO is responsible for the admission process. The interview is conducted by two Board members, who decide on admission.

§5.3 Membership period (Medlemsperiode). The membership period follows the term of office in §10.1 and runs from 1 August to 31 July. A person may join at any time during the period, but membership ends 31 July. Mentors and Alumni are exempt from this; their membership lasts until the person concerned withdraws, or the CPO removes them, cf. §5.4.

§5.4 Mentors and Alumni (Mentorer og alumni).

1. Mentor is its own membership tier, which may also be held by people outside the Association. People may be asked to become a mentor, and those who agree are entered on the Association's mentor list. The CPO is responsible for the mentor list.

2. A member whose Membership Contract ends without being renewed automatically receives Alumni status.

§5.5 Rights at the General Assembly (Rettigheter på generalforsamlingen).

1. Board Members, Core Members and Active Members have voting rights and are eligible for office.

2. Voting rights presuppose that the member has been admitted as an Active Member, cf. §5.2, at least one month before the General Assembly.

3. Members with voting rights, and Mentors, have Right to Propose.

4. All members, including Inactive Members, Mentors and Alumni, have meeting and speaking rights.

5. Inactive Members, Mentors and Alumni have neither voting rights nor eligibility for office.

6. The General Assembly may, by simple majority, grant meeting and speaking rights to people who are not members.

§5.6 Duties (Plikter).

1. Members are bound by resolutions made by the General Assembly and the Board.

2. **Duty to deliver:** a member who has taken on a task is obliged to deliver it within the set time frame.

3. **Duty to notify:** if a member cannot carry out a task taken on, the member shall, without undue delay, notify their Nearest Leader, cf. §4.3 no. 7. The Nearest Leader is responsible for the task being reassigned.

4. **Absence:** if a member is inactive without valid reason for a continuous period of four weeks in an Active Period, the Board may consider ending the membership. The reason for absence shall be clarified with the member's Nearest Leader.

§5.7 Board authority in membership matters (Styrets myndighet i medlemssaker). Outside the General Assembly, the Board may, by majority resolution:

1. Change a member's tier on the grounds of a failure to meet duties, except that assessment of whether a member is active or inactive is excepted, cf. §5.1.
2. Grant or refuse applications for offices and membership, and change who holds an office.
3. Remove members from the Association's membership list if §5.6 no. 4 is breached.

§6 Whistleblowing and reactions (Varsling og reaksjoner)

§6.1 Definition (Definisjon). Whistleblowing (varsling) is when a member, a Board member, or a person in contact with the Association, reports a reprehensible matter (kritikkverdig forhold) connected with the Association's activity.

§6.2 Reprehensible matters (Kritikkverdige forhold). Reprehensible matters include, among others:

1. Matters relating to health, environment and safety.
2. Personal conflicts.
3. Disruptive conduct.
4. Legal violations, including theft, financial breach of trust and embezzlement.
5. Sexual harassment.
6. Assault.

§6.3 Case handling (Saksbehandling).

1. A report is directed to the CPO, or to the CEO if the report concerns the CPO.
2. In the event of serious allegations of a legal violation, the matter must be reported to the police before the Board may process the report.
3. In cases directed at one or more persons, all involved shall be given the opportunity to account for their version of the situation.
4. Legal violations and sexual harassment are not accepted, and the Board may report matters to the police based on its own observations.

§6.4 Impartiality (Habilitet). When handling reports, the Board's impartiality shall be assessed. A Board member who is not impartial does not take part in the handling. If the Board as a whole is not impartial, an independent body shall be appointed to handle the matter.

§6.5 Reactions (Reaksjoner). A resolution on a reaction requires a 2/3 majority on the Board, cf. §12.7 no. 5. The following reactions may be decided:

1. Changes to the Association's routines.
2. A warning.
3. Suspension or exclusion from office and the Association's activities for a period.
4. Permanent exclusion from office and the Association's activities.

§7 Privacy (Personvern)

§7.1 Processing of personal data (Behandling av personopplysninger). The Association processes only personal data that is necessary and relevant to administering membership. Processing shall follow the Personal Data Act (personopplysningsloven) and the guidelines of the Norwegian Data Protection Authority (Datatilsynet).

§7.2 Retention on end of membership (Oppbevaring ved opphør av medlemskap). On end of membership, the Association retains the member's personal data until a request for deletion is made under §7.3.

§7.3 Request for deletion (Anmodning om sletting).

1. A member or former member may at any time request that their own personal data be deleted.

2. The request shall be made in writing to the CPO.

3. Deletion shall be carried out without undue delay, and the member shall receive confirmation that deletion has been carried out.

§7.4 Duty to inform (Informasjonsplikt). The Association shall, on admission and on end of membership, inform the member of the right to request deletion under §7.3.

Part III: Organs (Del III: Organer)

§8 General Assembly (Generalforsamling)

§8.1 Supreme organ (Øverste organ). The General Assembly is the Association's supreme organ.

§8.2 Frequency and types (Hyppighet og typer).

1. The General Assembly shall be held at least once per semester, within the end of November in the autumn semester and within the end of April in the spring semester.

2. The General Assembly in the spring semester is the Elective General Assembly; the General Assembly in the autumn semester is the Supplementary General Assembly.

§8.3 Notice and deadlines (Innkalling og frister).

1. Notice shall reach members at least one month before the General Assembly.

2. Cases to be handled by the General Assembly, including proposed Bylaw Amendments, shall reach the Board at least two weeks before the General Assembly.

3. Case Papers shall be available to members at least one week before the General Assembly.

§8.4 Quorum and majority requirements (Vedtaksførhet og flertallskrav).

1. The General Assembly is quorate when lawfully convened, irrespective of the number attending.

2. The General Assembly passes resolutions by simple majority unless these Bylaws provide otherwise. Majority requirements for Bylaw Amendments and dissolution follow §§17.1 and 18.1.

3. No member has more than one vote, and voting may not be by proxy. Advance Voting in elections is governed by §11.4.

§8.5 Extraordinary General Assembly (Ekstraordinær generalforsamling). An extraordinary General Assembly may be called if at least 1/3 of members require it, or if the Board finds it necessary. §§8.3 and 8.4 apply correspondingly. Only the Cases stated in the notice are handled at an extraordinary General Assembly.

§8.6 Agenda (Saksliste). The Agendas of the Elective and Supplementary General Assemblies follow the order below.

Elective General Assembly (spring semester):

1. Constitution: (1) election of Meeting Chair; (2) election of Secretary; (3) election of Vote Counters; (4) election of Protocol Signers; (5) approval of Notice; (6) approval of Agenda.
2. Presentation and discussion of Cases: (1) Semester Report; (2) previous semester's financial statement; (3) coming semester's budget; (4) submitted Cases.
3. Voting on Cases.
4. Election of CEO, CTO, CBO and CPO for the coming term, cf. §11.
5. Other business.

Supplementary General Assembly (autumn semester):

1. Constitution: (1) election of Meeting Chair; (2) election of Secretary; (3) election of Vote Counters; (4) election of Protocol Signers; (5) approval of Notice; (6) approval of Agenda.
2. Presentation and discussion of Cases: (1) Semester Report; (2) previous semester's financial statement; (3) coming semester's budget; (4) submitted Cases.
3. Voting on Cases.
4. Supplementary elections, cf. §11: (1) supplementary elections to vacant offices for the remainder of the term; (2) election of a chair and two members to the Election and Control Committee.
5. Other business.

Each Case under point 2 is presented and discussed together, and the Cases are voted on under point 3. Case handling follows §9.

§9 Meeting rules for the General Assembly (Møteregler for generalforsamlingen)

§9.1 Opening and constitution (Åpning og konstituering).

1. The General Assembly is opened by the CEO, or by the CTO under §12.3. Whoever opens the meeting leads the election of the Meeting Chair.
2. Until the Vote Counters are elected, votes are counted by whoever leads the meeting.
3. Once the Meeting Chair is elected, the Meeting Chair takes over the conduct of the meeting and carries out the remaining points of the constitution.

4. When approving the Notice, the General Assembly considers whether the Notice and Case Papers comply with §8.3. If the Notice is not approved, the General Assembly cannot pass resolutions.

§9.2 Meeting Chair (Ordstyrer).

1. The Meeting Chair leads the General Assembly in accordance with the Bylaws and the approved Agenda, and shall ensure orderly and neutral conduct of the meeting.
2. The Meeting Chair keeps the Speakers' List, gives the floor, and may take the floor from a speaker if the speaking time is exceeded or the speech does not concern the Case.
3. The Meeting Chair may set speaking time for Speeches and Replies.
4. The Meeting Chair decides questions on the conduct of the meeting. The decision may be referred to the General Assembly, which decides the question by simple majority.
5. The Meeting Chair does not take part in debate. If the Meeting Chair wishes to take part in debate on a Case, conduct of the meeting for that Case is handed to a person elected by the General Assembly.
6. The Meeting Chair should not be a Board member.

§9.3 Vote Counters (Tellekorps).

1. The Vote Counters consist of two members, who shall be neutral in the Cases they count.
2. The Vote Counters register the number of eligible voters present at the constitution, and keep the number updated through the meeting.
3. The Vote Counters distribute and collect ballots, verify that only Eligible Voters cast a vote, count the votes, and report the result to the Meeting Chair.
4. The Vote Counters count votes on Cases, and in elections not conducted by the Election and Control Committee, cf. §11.5.
5. Ballots are kept by the Vote Counters until the protocol is signed, and are shredded thereafter.

§9.4 Presentation and discussion of Cases (Presentasjon og diskusjon av saker).

1. Each Case is presented by the proposer or the Board, and is discussed before the next Case is presented.
2. During discussion, the floor is given in the order requested.
3. After a Speech, a Reply may be given. Whoever gave the Speech has the right to a Reply.
4. A Point of Order takes priority over the Speakers' List.
5. The Meeting Chair, or any Eligible Voter, may propose Closing the Speakers' List. The General Assembly decides the proposal by simple majority.

§9.5 Amendments (Endringsforslag). An Amendment to a Case on the Agenda must be submitted in writing before voting on Cases begins.

§9.6 Voting on Cases (Stemming over saker).

1. Before voting, the Meeting Chair puts forward a Voting Order, which is approved by the General Assembly.
2. Amendments are voted on before the original proposal. If there are several Amendments to the same point, the most far-reaching proposal is voted on first.
3. Voting is by show of hands, unless at least one Eligible Voter requires written and secret voting.
4. Once voting is underway, the floor is given only for questions about the vote itself.
5. Blank votes are counted as not cast.
6. In the event of a tied vote, the proposal is considered not adopted.

§9.7 Other business (Eventuelt).

1. Matters for other business must be submitted in writing before voting on Cases begins.
2. Under other business, only matters submitted under no. 1 are handled.
3. No resolution on Bylaw Amendments, elections, financial dispositions or dissolution may be made under other business.

§9.8 Secretary and protocol (Referent og protokoll).

1. The Secretary keeps the protocol of the General Assembly.
2. The protocol shall at least contain: (1) time and place of the meeting; (2) number of eligible voters present; (3) who was elected during the constitution; (4) all proposals made, with the proposer; (5) resolutions with vote counts; (6) the result of all elections; (7) Protocol Notes.
3. Any Eligible Voter may require a short Protocol Note entered into the protocol.
4. The protocol shall be signed by the Protocol Signers and made available to members no later than two weeks after the General Assembly.

§9.9 Protocol Signers (Protokollunderskrivere).

1. The General Assembly elects two Protocol Signers from among the members present.
2. The Protocol Signers check that the protocol gives a correct account of the General Assembly, and sign it. They may require corrections before signing.

§10 Offices (Tillitsverv)

§10.1 Term of office (Vervperiode). All offices in the Association, including all Board offices, run from 1 August to 31 July of the following year. The Election and Control Committee is exempt from this, cf. §13.1.

§10.2 Overlap and experience transfer (Overlapp og erfaringsoverføring). The period from the Elective General Assembly until 1 August is an overlap period in which the incoming and outgoing office holders act simultaneously. In this period, the incoming office holder has decision-making authority and voting rights, while the outgoing office holder has an advisory function.

The outgoing office holder shall, in the overlap period, ensure full experience transfer, including handover of documentation, access, ongoing matters and points of contact, and shall be available to the Board and their successor.

§10.3 Vacant offices (Ledige verv).

1. If an office holder steps down before the term of office has ended, the Board may, by simple majority, appoint a temporary member to the office until it is filled at an ordinary General Assembly.

2. If an office is not filled at the General Assembly, the Board may appoint a member to the office until the next General Assembly.

3. Nos. 1 and 2 apply correspondingly to the Election and Control Committee. If nobody is elected to the Committee, the Board may appoint a temporary committee until the next General Assembly.

§11 Elections (Valg)

§11.1 Scope (Virkeområde). This section applies to all elections held at the General Assembly, including election of Meeting Chair, Secretary, Vote Counters, Protocol Signers, Board members and members of the Election and Control Committee.

§11.2 Candidates (Kandidater).

1. Voting rights and eligibility for office follow §5.5.

2. A candidate must have consented to the candidature. Candidates who cannot attend may stand with a written candidature.

§11.3 Advance Nomination and Floor Nomination (Forhåndsbenking og benkeforslag).

1. Before the General Assembly, a call for Advance Nominations is sent out. The Election and Control Committee asks those proposed whether they wish to stand. Those who wish to stand are listed as candidates on the Agenda. The deadline for Advance Nomination is the same as for submitting Cases, cf. §8.3.

2. During the General Assembly, Floor Nomination may only be made during presentation and discussion of Cases, cf. §8.6.

3. Whoever makes a Floor Nomination is entitled to give a Floor Speech.

§11.4 Advance Voting (Forhåndsstemming).

1. Active Members with voting rights may cast an Advance Vote in elections to offices. Advance Voting does not apply to other Cases.

2. Advance Votes are cast digitally through a solution that ensures only Eligible Voters can vote, that each member casts one vote, and that the vote is secret.

3. The deadline for Advance Voting is when voting opens in the relevant election at the General Assembly.

4. A member who has cast an Advance Vote may not vote again in the same election.

5. The Election and Control Committee administers Advance Votes and counts them together with the votes cast at the General Assembly.

6. An Advance Vote applies to the candidate it was cast for, including if new candidates are added by Floor Nomination at the General Assembly.

7. In a second round of voting, the Advance Vote is counted if the candidate it was cast for takes part in the round. Otherwise it is not counted.

§11.5 Conduct (Gjennomføring).

1. For election to offices, the Election and Control Committee leads the election and presents the office and the candidates. Other elections are led by the Meeting Chair, except election of the Meeting Chair itself, cf. §9.1.

2. Candidates are given the opportunity to present themselves, and the assembly the opportunity to ask questions.

3. The election is conducted in writing when there is more than one candidate for an office, or when at least one Eligible Voter requires it. Otherwise the election may be conducted by show of hands.

4. For election to offices, the Election and Control Committee counts the votes and reports the result to the Meeting Chair. For other elections, votes are counted per §§9.1 and 9.3. The result is entered in the protocol.

§11.6 Voting rounds (Avstemningsrunder).

1. The first voting round is conducted with a blank vote as an alternative.

2. The candidate who receives the most votes is elected.

3. If the blank-vote alternative receives the most votes, a second voting round is conducted between the two candidates with the most votes, without a blank-vote alternative.

4. If two or more candidates are tied for the most votes, a second voting round is conducted between those candidates, without a blank-vote alternative.

5. If there is only one candidate for the office, the candidate is also elected if the blank-vote alternative receives the most votes.

6. If no candidate is elected in the second voting round, it is repeated until a candidate is elected.

§12 The Board (Styret)

§12.1 Composition (Sammensetning). The Board consists of four members:

1. CEO: Chief Executive Officer

2. CTO: Chief Technical Officer

3. CBO: Chief Business Officer

4. CPO: Chief People Officer

All Board members are elected by the General Assembly, cf. §11, for the term of office in §10.1.

§12.2 CEO. The CEO has overall administrative leadership of the Association and represents the Association externally. The CEO has the ultimate responsibility for the Association operating within Norwegian law and the University's regulations, and for strategic planning, organisational

culture, HSE protocols and coordination between the other Board roles. The CEO's mandate and duty to delegate follow §14.

§12.3 CTO. The CTO has the overall responsibility for the Association's technical projects, including system integration, technical safety and technical progress. The CTO shall ensure that technical development follows set timelines and milestones, cf. §16, and is responsible for resource management and logistics relating to technical equipment and workshop space. The CTO calls technical status meetings.

The CTO is the Association's Deputy Chair (nestleder) and takes over the CEO's responsibility when the CEO is unavailable. Beyond this, the CTO has no greater authority than the other Board members.

§12.4 CBO. The CBO is responsible for the Association's economy, cf. §15. This includes financial planning, bookkeeping, budget control, auditing, insurance and financial risk management. The CBO further has responsibility for sponsor relations, partnership agreements, branding and external communication, including content and maintenance of the Association's digital platforms.

§12.5 CPO. The CPO is responsible for the Association's members and internal organisation, including recruitment, the admission process, member follow-up and administration of membership tiers, cf. §5. The CPO further has responsibility for internal communication, organisational culture and follow-up of HSE, in cooperation with the CEO, and for case handling of reports, cf. §6.

§12.6 Board meetings (Styremøter). The Board has quorum when at least three of the Board's members, including constituted members, are present. Resolutions are made by ordinary majority of the votes cast, unless these Bylaws provide otherwise. All Board meetings shall be recorded in a protocol.

§12.7 Voting on the Board (Stemmegivning i styret).

1. Each Board member has one vote. The CEO's vote counts as 1.5 votes on all Board matters.
2. When the CTO has taken over the CEO's responsibility under §12.3, the CTO's vote counts as 1.5 votes. The additional 0.5 weighting cannot fall to other Board members.
3. A constituted Board member has voting rights, cf. §10.3.
4. In the event of a tied vote, the proposal is considered not adopted.
5. Where these Bylaws require a 2/3 majority on the Board, the majority is calculated from the total voting weight of the Board members taking part in the vote.

§12.8 Duty of loyalty (Lojalitetsplikt). The Board's members, including the CEO, shall in Board matters put the interests of the Association as a whole ahead of other considerations.

§12.9 Teams (Team).

1. Teams are established by the Board member responsible for the subject area, and span multiple projects.
2. The Board member appoints a Team Lead for the team.

§13 The Election and Control Committee (Valgog kontrollkomiteen)

§13.1 Composition and term (Sammensetning og vervperiode).

1. The Election and Control Committee consists of three members: one chair and two members.

2. The chair and members are elected at the Supplementary General Assembly in the autumn semester.

3. The term of office runs from 1 January following the Supplementary General Assembly to 31 December of the same year.

4. Board members may not be members of the Committee.

§13.2 Tasks (Oppgaver).

1. The Committee shall find suitable candidates for election, administer Advance Votes, and conduct elections to offices, cf. §11.

2. The Committee shall monitor compliance with the Bylaws, and shall report to the General Assembly.

§13.3 Duty of confidentiality and eligibility (Taushetsplikt og valgbarhet).

1. The Committee's members are bound by a duty of confidentiality.

2. Members of the Committee may not stand for election.

§14 Mandate, delegation and Signature Right (Fullmakt, delegasjon og signaturrett)

§14.1 Starting point (Utgangspunkt). The CEO holds the Association's overall Mandate within the limits set by the General Assembly and the Board, and may enter binding agreements on the Association's behalf within those limits, cf. §§14.7 and 14.8.

§14.2 Duty to delegate (Delegasjonsplikt). The CEO shall delegate Mandate to the other Board members within their respective areas of responsibility, cf. §§12.3–12.5. The delegation shall be presented to, and approved by, the General Assembly. Authority over the Association's economy belongs to the CBO directly, cf. §15.2, and is not covered by the delegation. Delegation of Signature Right follows §14.9.

§14.3 Form and content (Form og innhold). The delegation shall be in writing and shall state which areas of responsibility, categories of decision and any financial limits it covers. The delegation applies for the term of office, cf. §10.1, unless otherwise decided, and shall be recorded in the General Assembly's protocol.

§14.4 Responsibility (Ansvar). Delegation does not relieve the CEO of the overall responsibility for the Association's activity.

§14.5 Change and withdrawal (Endring og tilbakekalling). Change or withdrawal of delegated Mandate is handled by the General Assembly. Where circumstances cannot wait for an ordinary General Assembly, the Board may, by 2/3 majority, temporarily suspend a delegated Mandate until the next General Assembly.

§14.6 Onward delegation (Videredelegering). A Board member may onward-delegate delimited parts of their Mandate to a Project Lead or Team Lead for specific tasks. Onward delegation shall be in writing and notified to the Board, and does not relieve the Board member of responsibility.

§14.7 Signature Right (Signaturrett). The CEO holds the Association's Signature Right.

§14.8 Conditions for signing (Vilkår for signering). Signing a binding agreement presupposes a prior Board resolution.

§14.9 Delegation of Signature Right (Delegasjon av signaturrett). The CEO may delegate Signature Right directly to the other Board members, without General Assembly handling. The delegation shall be documented in writing and does not relieve the CEO of responsibility, cf. §14.4.

§14.10 Responsibility for contracts (Ansvar for kontrakter). The sitting Board is responsible for all agreements in force.

§14.11 Digital storage (Digital oppbevaring). All documents of the Association, including agreements and contracts signed on paper, shall also be stored digitally. A document signed on paper shall be scanned or otherwise reproduced in digital form without undue delay; the physical signature does not exempt the document from this requirement.

Part IV: Operations (Del IV: Drift)

§15 Economy (Økonomi)

§15.1 Use of funds (Bruk av midler). The Association's funds shall be used only in accordance with the Association's purpose, cf. §2.

§15.2 Authority over the economy (Myndighet over økonomien). The CBO has full authority over the Association's economy. This authority follows directly from these Bylaws and is not delegated from the CEO, cf. §14.2.

§15.3 Budget and accounts (Budsjett og regnskap). A budget and accounts for the Association's funds, with supporting vouchers, shall always exist. The budget and accounts are reviewed and approved by the General Assembly, cf. §8.6.

§15.4 Approval of payments (Godkjenning av utbetalinger). Payments are approved by the CBO.

§15.5 Financial investments (Økonomiske investeringer). Resolutions on financial investments require a 2/3 majority on the Board, cf. §12.7 no. 5.

§15.6 Free Funds (Frie midler).

1. Funds the Association earns that are not earmarked on receipt shall be placed in a dedicated account for Free Funds.

2. Members may apply for support from Free Funds for projects. The application is made to the CBO.

3. The CBO assesses applications and decides which are forwarded to the Board. The Board resolves on allocation.

§15.7 Reporting (Rapportering). The CBO shall follow up all financial matters and keep the Board continuously informed of the Association's financial dispositions.

§16 Project execution (Prosjektgjennomføring)

§16.1 Starting a project (Oppstart av prosjekt). All larger projects shall be approved by the Board before start-up. To start a project, an MCR and an SRR shall be delivered to the Board. The Board assesses the project against the Association's purpose, resource situation and feasibility, and approves or rejects it at the meeting where the MCR and SRR are presented.

§16.2 Project organisation (Prosjektorganisering). The Board appoints a Project Lead for each project. The Project Lead reports to the CTO in technical projects, and otherwise to the Board member responsible for the subject area.

§16.3 Project model (Prosjektmodell). Projects are carried out according to a modified version of the NASA Project Life Cycle. Phase division, gate reviews and documentation requirements are set out in the Association's governance documents.

§16.4 Deviations (Avvik). Material deviations from an approved plan, including changes to requirements, budget, timeline or safety-relevant assumptions, shall be presented to the Board.

§16.5 Closure and documentation (Avslutning og dokumentasjon). A project is closed with a final report to the Board. Project documentation shall be archived so that later members can build on the work, cf. §2.5.

Part V: Governance Documents and Dissolution (Del V: Styringsdokumenter og opphør)

§17 Bylaw Amendments and governance documents (Vedtektsendringer og styringsdokumenter)

§17.1 Bylaw Amendments (Vedtektsendringer). Bylaw Amendments may only happen when (1) at least 2/3 of the Association's members are present at the General Assembly at the time of the vote, and (2) at least 2/3 of the members present vote in favour of the amendment. A proposed Bylaw Amendment must be submitted within the deadline in §8.3.

§17.2 Entry into force (Ikrafttredelse). Bylaw Amendments take effect when the protocol of the General Assembly is signed, unless the General Assembly resolves otherwise.

§17.3 Language versions (Språkversjoner). In the event of conflict between language versions of the Bylaws, the version adopted by the General Assembly controls, cf. §3.3.

§17.4 Standing Orders (Føringsorden). The Board may adopt a Standing Order as an addendum to the Bylaws. A Standing Order may not conflict with the Bylaws, and lapses on a change of Board.

§18 Dissolution (Opphør)

§18.1 Dissolution (Oppløsning). The Association may be dissolved if 2/3 of the eligible voting members at the General Assembly vote in favour of dissolution. A Case on dissolution shall be submitted within the deadline in §8.3.

§18.2 Disposal of assets (Disponering av eiendeler). On dissolution, the Association's funds and property are transferred to another suitable student association with the same purpose, chosen by the General Assembly. No member has a claim on the Association's funds or any share of them, cf. §3.2.

C-suite Structure: CEO, CTO, CBO, CPO

26H-ECL-GA-CASE5A · Case 6 · Proposed by: the Board

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	The Bylaw Amendment was adopted under Case 5. New Bylaws §12.1 sets the Board as four members: CEO (Chief Executive Officer), CTO (Chief Technical Officer), CBO (Chief Business Officer) and CPO (Chief People Officer). The CBO takes over the areas of the former CFO and CMO; the CPO is responsible for membership administration, recruitment and internal culture; the CTO is Deputy Chair (nestleder). This Case fixes the roles before the Election of Board Members (Case 7) opens, so members know which roles they are voting on.
Proposal	The General Assembly resolves that the roles to be elected under Case 7 (26H-ECL-GA-CASE6A) are CEO, CTO, CBO and CPO, as defined in New Bylaws §12.1. The election is conducted under the election mechanics in Old Bylaws §4.7: majority vote per role; a second round if no candidate achieves a majority; blank votes counted in the mass, with the option to remove blank votes from the mass in a further round per §4.7.2.
External information	The Election and Control Committee (New Bylaws §13) is elected at a later Supplementary General Assembly, after the new C-suite takes office, and does not run this election. Financial consequences: none directly. Attachments: Bylaw Amendment Proposal (26H-ECL-GA-CASE4A/4B/4C), Candidate Documentation (26H-ECL-GA-CAND1), Election Ballot (26H-ECL-GA-BALLOT2A).

Election of Board Members (valg av styremedlemmer): CEO, CTO, CBO, CPO

26H-ECL-GA-CASE6A · Case 7 · Proposed by: the Board

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	Old Bylaws §4.7: all Board members are elected at the General Assembly, by majority. The Bylaw Amendment was adopted under Case 5, and Case 6 (26H-ECL-GA-CASE5A) fixed the four roles as CEO, CTO, CBO and CPO, as defined in New Bylaws §12.1.
Proposal	The General Assembly resolves to elect, one role at a time in the order CEO, CTO, CBO, CPO, the members recorded as elected in the Meeting Protocol (26H-ECL-GA-PROT1), for a term of two student semesters (Old Bylaws §5.2–§5.5), using the election mechanics in Old Bylaws §4.7.1–§4.7.2.
External information	Procedural Case: no Board recommendation on individual candidates. The Election and Control Committee (New Bylaws §13) is elected at a later Supplementary General Assembly, after the new C-suite takes office, and does not run this election. Attachments: C-suite structure (26H-ECL-GA-CASE5A), Candidate Documentation (26H-ECL-GA-CAND1), Election Ballot (26H-ECL-GA-BALLOT2A).

Election of Board Members (valg av styremedlemmer): CEO, CTO, CFO, CMO

26H-ECL-GA-CASE6B · Case 7 · Proposed by: the Board

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

C-suite deliberation	The C-suite has reviewed the proposal and recommends it to the General Assembly for approval.
Background	Old Bylaws §4.7: all Board members are elected at the General Assembly, by majority. The Bylaw Amendment was not adopted under Case 5, and Case 6 (26H-ECL-GA-CASE5B) fixed the four roles as CEO, CTO, CFO and CMO, as defined in Old Bylaws §5.1–§5.5.
Proposal	The General Assembly resolves to elect, one role at a time in the order CEO, CTO, CFO, CMO, the members recorded as elected in the Meeting Protocol (26H-ECL-GA-PROT1), for a term of two student semesters (Old Bylaws §5.2–§5.5), using the election mechanics in Old Bylaws §4.7.1–§4.7.2.
External information	Procedural Case: no Board recommendation on individual candidates. Attachments: C-suite structure (26H-ECL-GA-CASE5B), Candidate Documentation (26H-ECL-GA-CAND1), Election Ballot (26H-ECL-GA-BALLOT2B).

Document/Protocol ID: 26H-ECL-GA-PROT1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Status: the authoritative record of what the General Assembly decided. Completed live by the Secretary during the meeting; finalised on signature by the two Protocol Signers. Proxy voting is prohibited (Old Bylaws §4.3), so no proxy form (fullmakt) is used.
Cross-references: every Case Paper and Amendment referenced below carries its own Document ID; this Protocol is in turn the source Protocol ID cited by any Responsibility Contract arising from a General Assembly resolution (see 26H-ECL-GA-RESP1B, §"General Assembly → CEO").
Voting method: only the Election of Board Members (Case 7) is voted on by ballot. Every other Case, Amendment and the Bylaw Amendment (Case 5) is voted on by show of hands, with each Eligible Voter's voter number recorded against their vote where a count is required.

1. Meeting details

Date	30 September 2026
Location	Festsalen, NMBU
Time (start / end)	

2. Case 1: Constitution of the Meeting (26H-ECL-GA-CASE0)

Meeting Chair (ordstyrer) elected	
Secretary (referent) elected	
Vote Counters (tellekorps) elected	
Protocol Signers (protokollunderskrivere) elected	
Number of eligible voters present	
Notice of Meeting approved	Yes ☐ No ☐
Agenda approved	Yes ☐ No ☐
Protocol Notes, if any	

3. Case 2: Previous semester's financial statements (26H-ECL-GA-CASE1)

Proposer	The Board (CFO)
Amendments presented (if any), with proposer and outcome	
Resolution (exact wording adopted)	
Vote count (for / against / blank), where applicable	
Protocol Notes (protokolltilførsler), if any	

4. Case 3: Coming semester's budget (26H-ECL-GA-CASE2)

Proposer	The Board (CFO)
Amendments presented (if any), with proposer and outcome	
Resolution (exact wording adopted)	
Vote count (for / against / blank), where applicable	
Protocol Notes (protokolltilførsler), if any	

5. Case 4: Semester Report (26H-ECL-GA-CASE3)

Proposer	CEO (Styreleder)
Amendments presented (if any), with proposer and outcome	
Resolution (exact wording adopted)	
Vote count (for / against / blank), where applicable	
Protocol Notes (protokolltilførsler), if any	

6. Case 5: Bylaw Amendment (26H-ECL-GA-CASE4A)

Stage 1 vote count (for / against / blank), with voter numbers recorded	
Stage 1 result (2/3 of all members)	Adopted ☐ Not adopted ☐
Stage 2: Amendments voted on, with outcome	
Final text adopted as	26H-ECL-GA-CASE4A, as amended per above
Entry into force	On signature of this Protocol, unless the General Assembly resolved otherwise: _____
Protocol Notes, if any	

7. Case 6: C-suite structure (26H-ECL-GA-CASE5A / 5B)

Case Paper used	26H-ECL-GA-CASE5A (CEO/CTO/CBO/CPO) ☐ 26H-ECL-GA-CASE5B (CEO/CTO/CFO/CMO) ☐
Amendments (if any), with proposer and outcome	
Protocol Notes, if any	

8. Case 7: Election of Board Members (26H-ECL-GA-CASE6A / 6B)

Case Paper used	26H-ECL-GA-CASE6A ☐ 26H-ECL-GA-CASE6B ☐
CEO elected	
CTO elected	
CBO / CFO elected	
CPO / CMO elected	
Protocol Notes, if any	

9. Case 8: Other business

Matters raised	
Resolutions, with vote count, if any	

10. Protocol Statements / Reservations (protokolltilførsler)

11. Signatures

Meeting Chair	
Secretary	
Protocol Signer 1	
Protocol Signer 2	

Per Old Bylaws §4.5, this Protocol shall be made available to members no later than two weeks after the General Assembly.

Fill Labels

Amendment Submission

General Assembly – 26H-ECL-GA-PROC1

Meeting: 30 September 2026, 12:15, Festsalen, NMBU

Use one form per amendment. Quote the current wording exactly and write the complete replacement wording. Submit the completed form in writing to the Board, or to the Meeting Chair during the meeting, before voting on Cases begins. Only members with the right to propose may submit an amendment.

Which case?	Case number (1–8), Document ID and title.
What it says now	Quote the exact text that should be changed.
What I want it to say	Write the exact replacement text.
Sender	Full name and signature, if required.

Submission note: Amendments must identify one specific case and include exact replacement wording. Anonymous amendments, and amendments submitted after voting on Cases has begun, are not accepted.

Document ID: 26H-ECL-GA-PROC2
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Purpose: a single, step-by-step walk-through of how this General Assembly is run from start to finish, under the Old Bylaws. It consolidates procedural rules that are otherwise spread across the Notice of Meeting, the Agenda, the Amendment Submission Procedure and the Voting Order, based on the Association's own procedural draft, "Møteprosedyre for generalforsamlingen for Eclipse NMBU" (see the attachment at the base of the General Assembly folder).
Governing Bylaws: Old Bylaws (gamle vedtekter). This document has no independent legal effect: where it conflicts with the Old Bylaws or with another document in the set, the Old Bylaws, and then the more specific document, control.

1. Registration

Members register their attendance before the meeting starts. Registration is the basis for the count of eligible voters taken during Case 1.

2. Opening

The meeting is opened by the CEO (styreleder), or by whoever else is authorised to open it if the CEO is unavailable. Whoever opens the meeting leads the election of the Meeting Chair; once elected, the Meeting Chair takes over the conduct of the meeting.

3. Constitution of the Meeting

Case 1 (26H-ECL-GA-CASE0) elects the Meeting Chair, the Secretary, two Vote Counters and two Protocol Signers, records the number of eligible voters present, and approves the Notice of Meeting (26H-ECL-GA-NOT1) and the Agenda (26H-ECL-GA-AGD1). No further Case may be validly decided until this is complete. If the Notice is not approved, the meeting cannot validly proceed.

4. Fixed Agenda order

Per Old Bylaws §4.8, the remaining Cases are handled in the fixed order set out in the Agenda (26H-ECL-GA-AGD1): financial statements, budget, semester report, Bylaw Amendment, C-suite structure, Election of Board Members, then other business.

5. Voting rights

Board Members, Core Members and Active Members are Eligible Voters, with the right to vote and stand for office. Inactive Members have meeting and speaking rights only. Proxy voting is not permitted: no member may vote on another member's behalf, in person or by any power of attorney (Old Bylaws §4.3).

6. Debate rules and hand signals

Discussion of each Case follows the Speakers' List, in the order the floor is requested. Three hand signals are used:

- **One finger (innlegg):** a Speech, added to the end of the Speakers' List.
- **Two fingers (replikk):** a Reply, a short response to the immediately preceding Speech only; it does not join the Speakers' List and must address that Speech.
- **Flat hand, palm down (saksopplysning):** a point of information: a short, neutral factual clarification, not an argument.

The Meeting Chair may set a speaking time for Speeches and Replies before discussion opens (typically around three minutes for a Speech and one minute for a Reply), and may extend it.

7. Closing the Speakers' List

The Meeting Chair, or any Eligible Voter, may propose closing the Speakers' List once a Case has been sufficiently discussed. If nobody objects, it is closed. If somebody objects, the General Assembly decides the question by simple majority.

8. Voting Order

Before voting on a Case, the Meeting Chair proposes a Voting Order, approved by the General Assembly (see 26H-ECL-GA-VOTORD1 for this meeting's default order). Amendments are voted on before the proposal they amend; where several Amendments target the same point, the most far-reaching is voted on first, since adopting it usually removes the need to vote on narrower alternatives.

9. Pre-vote count

Immediately before each vote, the Vote Counters confirm the number of Eligible Voters actually present, so that majority and threshold calculations use the count current at the time of that vote, not the count taken at Case 1.

10. Voting method

Ordinary Cases, Amendments and the Bylaw Amendment are decided by show of hands, with each Eligible Voter's voter number recorded against their vote where a count is required. Election of Board Members is decided by written ballot, unless there is only one candidate for a role, in which case the role may be filled by acclamation.

11. Majority requirements

- **Ordinary Cases and Amendments:** simple majority of votes cast; blank votes are not counted as cast. A tied vote is not adopted.
- **Bylaw Amendment (Case 5):** 2/3 of *all* members of Eclipse NMBU, per Old Bylaws §4.6 (see 26H-ECL-GA-CASE4C for the two-stage procedure).

- **Election of Board Members:** simple majority per role; blank votes are counted in the first round. If no candidate achieves a majority, a second round is held between the two candidates (or all candidates tied for second place) with the most votes, without a blank-vote option.

12. Protocol

The Secretary keeps the Meeting Protocol (26H-ECL-GA-PROT1) live during the meeting: every proposal, Amendment, resolution, vote count and election result is entered as it happens. After the meeting, the Protocol is signed by the Meeting Chair, the Secretary and the two Protocol Signers, and made available to members no later than two weeks after the General Assembly.

Principle 1

1. Cases 1–4 1

2. Case 5: Bylaw Amendment (26H-ECL-GA-CASE4A) 1

3. Case 6: C-suite structure (26H-ECL-GA-CASE5A / 5B) 1

4. Case 7: Election of Board Members (26H-ECL-GA-CASE6A / 6B) 2

5. Case 8: Other business 2

Document ID: 26H-ECL-GA-VOTORD1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Purpose: the Meeting Chair proposes the Voting Order, and the General Assembly approves it before voting on Cases begins. This document sets the default order for this meeting; the Meeting Chair may propose adjustments at the meeting, subject to the General Assembly's approval.

Principle

The Voting Order aims for as few separate votes as possible while still resolving every proposal unambiguously. Amendments are voted on before the proposal they amend, and where several target the same point, the most far-reaching goes first: adopting it usually makes the narrower alternatives unnecessary. The Bylaw Amendment is the exception, since it follows its own two-stage sequence rather than the general Case order.

1. Cases 1–4

For each of Case 1 (Constitution of the Meeting, including approval of the Notice and the Agenda), Case 2 (Financial statements), Case 3 (Budget) and Case 4 (Semester report), in Agenda order:

1. Any Amendments to that Case are voted on first, most far-reaching first, against the current proposal (not against each other), by simple majority.
2. Once all Amendments to that Case are resolved, the (possibly amended) proposal is voted on as a whole.

Every vote in this section is by show of hands, with each Eligible Voter's voter number recorded against their vote where a count is required.

2. Case 5: Bylaw Amendment (26H-ECL-GA-CASE4A)

Per the two-stage procedure in 26H-ECL-GA-CASE4C:

1. **Stage 1:** vote on whether to adopt New Bylaws at all: 2/3 of all members.
2. **Stage 2, only if Stage 1 is adopted:** vote on each submitted Amendment to the proposed text, in the order submitted unless several target the same clause (in which case, most far-reaching first), by simple majority each.
3. No separate final ratification vote: Stage 1's "Yes" is the adoption of the text as it stands once Stage 2 concludes.

Both stages are decided by show of hands, with voter numbers recorded; no ballot is used, since a Bylaw Amendment is a Case proposal, not a candidate election.

3. Case 6: C-suite structure (26H-ECL-GA-CASE5A / 5B)

Case 6 is presented on 26H-ECL-GA-CASE5A if the Bylaw Amendment was adopted under Case 5, and on 26H-ECL-GA-CASE5B if it was not. No separate vote is required, since the roles follow automatically from the result of Case 5; it is simply recorded in the Meeting Protocol, and voted on only if an Amendment has been submitted against it.

4. Case 7: Election of Board Members (26H-ECL-GA-CASE6A / 6B)

One vote per role, using Old Bylaws §4.7 mechanics. Each round (first round, and any second round per §4.7.2) is its own vote. Election of Board Members is the only Case at this meeting decided by ballot rather than show of hands.

- On 26H-ECL-GA-CASE6A: CEO, then CTO, then CBO, then CPO, using ballot 26H-ECL-GA-BALLOT2A.
- On 26H-ECL-GA-CASE6B: CEO, then CTO, then CFO, then CMO, using ballot 26H-ECL-GA-BALLOT2B.

5. Case 8: Other business

Matters raised under Other business (Old Bylaws §4.8(i)) are voted on last, one at a time, by simple majority, by show of hands. No vote on Bylaw Amendments, elections, financial dispositions or dissolution may be taken here.

Why a restructuring, not a patch 1

What changes 1

What does not change 2

What this vote actually decides 2

Document ID: 26H-ECL-GA-CASE4B
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Companion to: the full proposed New Bylaws text, 26H-ECL-GA-CASE4A, and the voting procedure, 26H-ECL-GA-CASE4C. This document has no independent legal effect: if it conflicts with 26H-ECL-GA-CASE4A, the full text controls.

Why a restructuring, not a patch

The Old Bylaws (13 sections) have not kept pace with Eclipse NMBU's growth: the C-suite, membership system, project process and delegation of authority have all grown informally beyond what the Old Bylaws describe. Rather than patch individual sections, the Board proposes a full restructuring into 18 sections across five parts, so that the written Bylaws match how the Association actually operates.

What changes

1. C-suite structure. The Board goes from CEO/CTO/CFO/CMO to CEO/CTO/CBO/CPO.

- CFO (finance) and CMO (marketing/external communication) are merged into a single **CBO: Chief Business Officer**, who holds full, undelegated authority over the Association's economy.
- A new **CPO: Chief People Officer** takes over membership administration, recruitment and internal culture – work that previously had no dedicated owner.
- The **CTO** becomes the Association's formal **Deputy Chair (nestleder)**, automatically stepping into the CEO's responsibilities when the CEO is unavailable. This did not exist under the Old Bylaws.

2. Six membership tiers, not four. Mentor and **Alumni** are added as formal tiers alongside Board Member, Core Member, Active Member and Inactive Member. Alumni status is now automatic when a Membership Contract lapses without renewal, rather than undefined.

3. Election and Control Committee. A new three-member committee, elected each autumn, takes over running elections and advance nominations, and monitors Bylaw compliance: work currently done informally by the Board itself. The committee is first elected at a Supplementary General Assembly after the new C-suite takes office. This General Assembly's own election uses the Old Bylaws' election mechanics (see Case 6).

4. Two General Assemblies a year, with different jobs. The New Bylaws formally distinguish a spring **Elective General Assembly** (full Board elections) from an autumn **Supplementary General Assembly** (fills vacancies, elects the Election and Control Committee). The Old Bylaws did not distinguish these: every General Assembly did full elections. This General Assembly is held under the Old Bylaws, so the distinction applies only to future General Assemblies.

5. Delegation and signature, formalised. Under the Old Bylaws, the whole Board jointly held Signature Right. Under the New Bylaws, the **CEO alone** holds Signature Right and the Association's overall Mandate, but is **required** to delegate authority to the other Board members in their areas (subject to General Assembly approval), and may delegate Signature Right to them directly. The key idea, carried through this whole document set, is that **signing on the Association's behalf is itself a responsibility**, not just an administrative permission: see the Responsibility & Signature Contract, 26H-ECL-GA-RESP1A/1B.

6. Project gates. Starting a project now formally requires an MCR (Mission Concept Review) and an SRR (System Requirements Review) before the Board approves it, following a modified NASA Project Life Cycle. The Bylaws fix MCR and SRR as mandatory gates; the detailed phase model and any further gate reviews are set out in the Association's governance documents (§16.3).

7. English as operating language. Eclipse NMBU's operating language becomes English; Norwegian-language documents must be translated to English (and vice versa, on request).

8. Privacy. Members gain an explicit, written right to request deletion of their personal data at any time, with the Association obliged to tell members about this right when they join and when they leave.

9. Higher bar for future Bylaw Amendments. Under the Old Bylaws, a future Bylaw Amendment needs 2/3 of all members to vote in favour, however few attend. Under the New Bylaws (§17.1), a future Bylaw Amendment needs both: 2/3 of all members physically present at the General Assembly at the time of the vote, *and* 2/3 of those present voting in favour. This makes the Association's own constitution harder to change on a thin turnout, either way.

10. Digital record-keeping. A new clause (§14.11) requires every document of the Association, including agreements signed on paper, to also be kept digitally. A paper signature no longer excuses a document from digital archiving.

What does not change

The Association's name, purpose, independence, self-owning legal status, core ethics/environment principles, whistleblowing process (now clarified to route through the CPO), and the prohibition on proxy voting all carry over unchanged in substance.

What this vote actually decides

Adopting the New Bylaws is a single constitutional decision requiring 2/3 of *all* Eclipse NMBU members (not just those present) to vote in favour: see 26H-ECL-GA-CASE4C for exactly how that vote is structured alongside any submitted Amendments to this text.

Why two stages 1

Stage 1: Whether to adopt New Bylaws at all 1

Stage 2: Submitted Amendments to the proposed text 1

Result 2

Cases 6 and 7 2

Document ID: 26H-ECL-GA-CASE4C
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Status: attachment to Case 5 (26H-ECL-GA-CASE4A). This procedure sets out how the vote required by Old Bylaws §4.6 ("vedtektsendringer kan bare skje når 2/3 av medlemmene stemmer for endringen") and the vote on any Amendments to the proposed text are taken at this General Assembly. It is part of the Voting Order (26H-ECL-GA-VOTORD1), which the Meeting Chair proposes and the General Assembly approves before voting on Cases begins.

Why two stages

Old Bylaws §4.6 sets a single threshold, 2/3 of all members, for changing the Bylaws. The proposed New Bylaws (26H-ECL-GA-CASE4A) is a large document, and members may want to adopt the overall restructuring while still changing specific wording. Voting on every clause individually at 2/3 of all members would be impractical, and §4.6 attaches that threshold to "the change" as a whole, not to each clause. The procedure below therefore splits the vote in two: first whether to adopt New Bylaws at all, then what the exact wording should be, using as few separate votes as possible.

Stage 1: Whether to adopt New Bylaws at all

Question put to the vote: "Shall Eclipse NMBU adopt the proposed New Bylaws (26H-ECL-GA-CASE4A) to replace the Old Bylaws, subject to any Amendments the General Assembly adopts in Stage 2?"

Threshold: 2/3 of *all* members of Eclipse NMBU (not merely those present or voting), per Old Bylaws §4.6.

Voting method: show of hands, with each Eligible Voter's voter number recorded against their vote; no separate ballot paper is used, since Old Bylaws §4.6 does not require secret voting for this Case. The vote count and result are recorded directly in the Meeting Protocol (26H-ECL-GA-PROT1).

If Stage 1 is not adopted: Case 5 is closed and the Old Bylaws remain in force unchanged. Stage 2 is not reached.

If Stage 1 is adopted: the General Assembly proceeds to Stage 2. No separate final ratification vote is taken after Stage 2: the Stage 1 "Yes" is the adoption, at the required 2/3 threshold, of the New Bylaws as they stand once Stage 2's Amendments are resolved. The total number of votes is therefore Stage 1 plus one vote per submitted Amendment.

Stage 2: Submitted Amendments to the proposed text

Each Amendment submitted under the Amendment Submission Procedure (26H-ECL-GA-PROC1) against the proposed New Bylaws text is presented and voted on individually, in the order set by the Voting Order (26H-ECL-GA-VOTORD1).

Threshold per Amendment: simple majority of votes cast. The 2/3 threshold in Old Bylaws §4.6 applies to the decision to change the Bylaws, which is taken in Stage 1. Amendments are Case proposals, not candidate elections, so they too are decided by show of hands with voter numbers recorded, not by ballot.

If multiple Amendments target the same clause, they are voted on from most to least far-reaching, per the Voting Order.

Result

Once every submitted Amendment has been voted on, the text of 26H-ECL-GA-CASE4A, as amended, is the adopted New Bylaws. **The New Bylaws take effect when the Meeting Protocol (26H-ECL-GA-PROT1) is signed**, unless the General Assembly resolves otherwise.

Cases 6 and 7

Case 6 (C-suite structure) and Case 7 (Election of Board Members) are presented on the Case Papers that match the result of Case 5:

- Bylaw Amendment adopted: 26H-ECL-GA-CASE5A (CEO/CTO/CBO/CPO) and 26H-ECL-GA-CASE6A.
- Bylaw Amendment not adopted: 26H-ECL-GA-CASE5B (CEO/CTO/CFO/CMO) and 26H-ECL-GA-CASE6B.

Meeting: 30 September 2026, 12:15, Festsalen, NMBU
This document is not binding. If anything here conflicts with the Bylaws, the Notice of Meeting, the Agenda, or any other formal document in this set, those documents control – this is just a friendly explanation to help you follow along at your first General Assembly (generalforsamling, or "GF").

What is a General Assembly?

The General Assembly (generalforsamling) is Eclipse NMBU's supreme decision-making meeting. It's where the whole membership – not just the Board – gets to vote on the big things: the budget, the rules (Bylaws), and who sits on the Board next.

Who can vote?

Board Members, Core Members and Active Members can vote. Everyone – including Inactive Members – is welcome to attend, listen, and speak, but only those three tiers can actually cast a vote or stand for election. See the Glossary (26H-ECL-GA-GLOSS1) if you're not sure which tier you're in.

Constitution of the Meeting

Before anything else can happen, the meeting has to "constitute" itself: elect someone to chair the meeting (Meeting Chair), someone to take minutes (Secretary), two people to count votes (Vote Counters), and two people to check and sign the final minutes (Protocol Signers), record how many eligible voters are present, and approve the Notice and the Agenda. All of this is a single Case, Case 1 – there is no separate Case for approving the Notice or the Agenda. Nothing else can be validly decided until this is done.

The Agenda

The Agenda (saksliste) is the running order for the meeting – the list of everything that will be discussed and voted on, in order. This meeting has eight Cases, numbered 1 to 8. You can find it as 26H-ECL-GA-AGD1, and the Overview (26H-ECL-GA-OVW1) lists every document you might be handed.

What's a Case?

A Case (sak) is one item of business – one thing the General Assembly is being asked to decide. Each Case has its own Case Paper.

How to read a Case Paper

Every Case Paper (sakspapir) follows the same template (26H-ECL-GA-TPL1), so once you know the shape, you can read any of them: what's the background (why are we talking about this?),

what's the actual proposal (what are we being asked to vote for?), and any other information you need to make up your mind.

Right to Propose

Right to Propose (forslagsrett) is the right to submit a new Case, or an Amendment to an existing one. At this General Assembly, that means Board Members, Core Members and Active Members – the same people who can vote.

How to submit an Amendment

An Amendment (endringsforslag) is a proposed change to a Case that's already on the Agenda. You write down exactly what you want changed and what you want it changed to, and submit it in writing before voting on Cases begins. Full details are in the Amendment Submission Procedure, 26H-ECL-GA-PROC1. **Once voting on Cases has started, no new Amendments can be submitted** – there's no last-minute exception.

Floor Amendments – really, Floor Nominations

You'll sometimes hear "floor amendment" (benkeforslag) used loosely, but in this document set it has one specific meaning: nominating a *candidate* for election directly from the floor, during the meeting itself, rather than in advance. It's not a way to change a Case's text – that's what Amendments are for.

Advance Nominations

If you want to run for a Board position, you can let the Board know before the meeting – that's an Advance Nomination (forhåndsbenking). You'll then appear as a candidate on the Agenda. You can also be nominated from the floor on the day.

Hand signals

If the Meeting Chair uses hand signals to speed up discussion (e.g. finger-wave agreement, crossed arms for a point of order), they explain them at the start of the meeting.

Voting

Most votes are decided by simple majority – more than half of the votes cast, not counting blanks. Voting is usually by show of hands, unless someone asks for a written and secret vote.

Two-thirds majority

Some decisions need more than a simple majority. Changing the Bylaws needs **2/3 of all Eclipse NMBU members** – not just those in the room – to vote in favour. That's a high bar on purpose: it's the Association's constitution.

Election procedure

Board elections are one role at a time. If a candidate gets a majority, they're elected. If nobody does, there's a second round between the top candidates. Blank votes count in the first round, but can be squeezed out in a second round if nobody wins.

Voting Order

Before voting starts, the Meeting Chair proposes an order to vote in – usually Amendments first, then the underlying proposal – designed to use as few individual votes as possible. See 26H-ECL-GA-VOTORD1 for the full logic, including the special two-stage process for the Bylaw Amendment.

Protocol

The Protocol (protokoll) is the official written record of everything the General Assembly decided – every proposal, every vote count, every election result. Once the two Protocol Signers have checked and signed it, it's the final, authoritative account of the meeting.

When do decisions become effective?

Most resolutions take effect as soon as they're passed. Bylaw Amendments are a bit different: they take effect once the Protocol is signed, unless the General Assembly says otherwise.

What happens after the General Assembly?

The Protocol gets published (within two weeks). Newly elected Board members take up their roles (with an overlap/handover period). If the Bylaw Amendment passed, work starts on rolling out the new structure – new Membership Contracts, Responsibility Contracts for anyone taking on a leadership role, and so on.

How this all fits together

It can look like a lot of separate documents. Here is the map:

- **Before the meeting**, the Overview (26H-ECL-GA-OVW1) lists every document in the set and what it is for; the Notice of Meeting (26H-ECL-GA-NOT1) tells you when and where, and what deadlines apply; the Agenda (26H-ECL-GA-AGD1) lists the Cases in order, each pointing to its own Case Paper.
- **To act before or during the meeting**, the Amendment Submission Procedure (26H-ECL-GA-PROC1) is how you change a Case's wording, and Candidate Documentation (26H-ECL-GA-CAND1) is how you stand for election.
- **During the meeting**, the Voting Order (26H-ECL-GA-VOTORD1) and the Full Meeting Procedure (26H-ECL-GA-PROC2) set out how discussion and voting actually run, Case by Case; ballots (where used) and the Meeting Protocol (26H-ECL-GA-PROT1) capture what is actually decided as it happens.

- **The Bylaw Amendment** is its own thread running through several documents at once: the proposed text and Case Paper (26H-ECL-GA-CASE4A), its plain-language explanation (26H-ECL-GA-CASE4B), and its two-stage voting procedure (26H-ECL-GA-CASE4C) – and its result decides which version of two other Cases (C-suite structure and Election of Board Members) actually gets used.
- **After the meeting**, the signed Protocol is the authoritative record of everything decided. If the Bylaw Amendment passed, the Membership Contract (26H-ECL-GA-MEMB1) and the Responsibility & Signature Contract (26H-ECL-GA-RESP1B, logged via 26H-ECL-GA-RESP2) are the documents that put the New Bylaws into practice day to day.
- **Throughout**, this guide and the Glossary (26H-ECL-GA-GLOSS1) are the two non-binding documents: everything else in the list above is a binding or procedural document that these two just help you read.

Document ID: 26H-ECL-GA-GLOSS1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Status: Living reference document: update whenever a new organisational term is adopted, and update the "Last updated" date on any term whose translation changes.
Scope: Applies to all Eclipse NMBU governance documents, including this General Assembly's document set (26H-ECL-GA-*). Where the Old and New Bylaws use the same Norwegian term with different meaning, both are noted.

How to use this glossary

Every organisational document should write technical terminology as **English (Norwegian)** on first use per section, e.g. "General Assembly (generalforsamling)". This glossary is the authoritative source for that pairing. If a term is not listed here, propose an addition rather than inventing an ad-hoc translation.

Organs and bodies

General Assembly (generalforsamling)

EN: The organisation's supreme decision-making body, made up of its members.
NO: Foreningens øverste organ, sammensatt av medlemmene.
Last updated: 2026-09-23

Board (styret)

EN: The organisation's highest organ between General Assemblies.
NO: Foreningens øverste organ mellom generalforsamlingene.
Last updated: 2026-09-23

Election and Control Committee (valgog kontrollkomité)

EN: A three-member committee elected by the General Assembly (New Bylaws only) that finds candidates, runs elections to elected offices, and oversees Bylaw compliance. Does not exist under the Old Bylaws.
NO: Komité på tre medlemmer valgt av generalforsamlingen (kun Nye Vedtekter) som finner kandidater, gjennomfører valg til tillitsverv, og påser at vedtektene blir fulgt.
Last updated: 2026-09-23

Roles (C-suite)

CEO: Chief Executive Officer (Styreleder)

EN: Overall administrative leadership and external representation. Under the New Bylaws, sole holder of Signature Right, with a duty to delegate Authority to the other Board members.
NO: Overordnet administrativ ledelse og ekstern representasjon. Under Nye Vedtekter eneinnehaver av signaturrett, med plikt til å delegere fullmakt til de øvrige styremedlemmene.

Last updated: 2026-09-23

CTO: Chief Technology Officer / Chief Technical Officer (Teknisk ansvarlig)

EN: Responsible for all technical projects, system integration and technical safety. Under the New Bylaws, also Deputy Chair (nestleder) who assumes the CEO's responsibilities when the CEO is unavailable.
NO: Ansvarlig for alle tekniske prosjekt, systemintegrasjon og teknisk sikkerhet. Under Nye Vedtekter også nestleder, som overtar CEOs ansvar når CEO er fraværende.
Last updated: 2026-09-23

CFO: Chief Financial Officer (Økonomiansvarlig)

EN: Old Bylaws role: financial planning, bookkeeping, budget control. Replaced by CBO under the New Bylaws.
NO: Rolle under Gamle Vedtekter: finansiell planlegging, bokføring, budsjettkontroll. Erstattes av CBO under Nye Vedtekter.
Last updated: 2026-09-23

CMO: Chief Marketing Officer (Markedsføringsansvarlig)

EN: Old Bylaws role: recruitment, branding, sponsor relations, external communication. Folded into CBO under the New Bylaws.
NO: Rolle under Gamle Vedtekter: rekruttering, merkevarebygging, sponsorrelasjoner, ekstern kommunikasjon. Slås sammen med CBO under Nye Vedtekter.
Last updated: 2026-09-23

CBO: Chief Business Officer (Forretningsog økonomiansvarlig)

EN: New Bylaws role only. Holds full authority over the organisation's economy (undelegated from the CEO) plus sponsor relations, branding and external digital communication: effectively merging the Old Bylaws' CFO and CMO roles.
NO: Kun en rolle under Nye Vedtekter. Har full myndighet over foreningens økonomi (ikke delegert fra CEO), samt sponsorrelasjoner, merkevarebygging og ekstern digital kommunikasjon: slår i praksis sammen CFOog CMO-rollene fra Gamle Vedtekter.
Last updated: 2026-09-23

CPO: Chief People Officer (Personalog medlemsansvarlig)

EN: New Bylaws role only. Responsible for members and internal organisation: recruitment, onboarding, membership-tier administration, internal communication, and handling of whistleblowing cases together with the CEO.

NO: Kun en rolle under Nye Vedtekter. Ansvarlig for medlemmer og intern organisasjon: rekruttering, opptak, forvaltning av medlemsnivåer, internkommunikasjon, og saksbehandling av varsler sammen med CEO.
Last updated: 2026-09-23

Project Lead (prosjektleder)

EN: Member with overall responsibility for carrying out a project. Reports to the CTO for technical projects, otherwise to the Board member responsible for that subject area.
NO: Medlem med det overordnede ansvaret for gjennomføringen av et prosjekt. Rapporterer til CTO i tekniske prosjekter, ellers til ansvarlig styremedlem.
Last updated: 2026-09-23

Team Lead (teamleder)

EN: Member with responsibility for a team: a cross-project subject-matter group. Reports to the Project Lead of the relevant project, or to the responsible Board member.
NO: Medlem med ansvar for et team, det vil si en faggruppe som går på tvers av prosjekter. Rapporterer til prosjektlederen i det aktuelle prosjektet, eller til ansvarlig styremedlem.
Last updated: 2026-09-23

Nearest Leader (nærmeste leder)

EN: The role a member reports to in the organisation's governance structure: e.g. a Team Lead for an ordinary member, a Project Lead for a Team Lead. Used to determine escalation when a Responsibility holder is unavailable.
NO: Den rollen et medlem rapporterer til i foreningens styringsstruktur. Brukes for å avgjøre eskalering når en ansvarshaver er fraværende.
Last updated: 2026-09-23

Membership tiers

Board Member (styremedlem)

EN: Holds the legal and administrative responsibility for the organisation. Highest membership tier.
NO: Innehar det juridiske og administrative ansvaret for foreningen. Høyeste medlemsnivå.
Last updated: 2026-09-23

Core Member (kjernemedlem)

EN: A member who has been assigned a genuine Responsibility Role by the Board or a Board member, e.g. as Project Lead or Team Lead.
NO: Medlem som er tildelt et ansvarsverv av styret eller et styremedlem, f.eks. som prosjektleder eller teamleder.

Last updated: 2026-09-23

Active Member (aktivt medlem)

EN: A member admitted under the ordinary admission process (New Bylaws §5.2); has voting rights and is eligible for office. Under the Old Bylaws, an active member is instead defined by meeting a points-earning requirement.
NO: Medlem tatt opp etter ordinær opptaksprosess (Nye Vedtekter §5.2); har stemmerett og er valgbar. Under Gamle Vedtekter defineres aktivt medlem i stedet av oppfylt poengkrav.
Last updated: 2026-09-23

Mentor (mentor)

EN: New Bylaws only. A membership tier for people, including non-members, on the organisation's mentor list.
NO: Kun under Nye Vedtekter. Medlemsnivå for personer, også utenfor foreningen, som står på foreningens mentorliste.
Last updated: 2026-09-23

Inactive Member (inaktivt medlem)

EN: Registered member who does not meet the requirements for active participation. Has meeting and speaking rights but no voting rights or eligibility for office.
NO: Registrert medlem som ikke oppfyller kravene til aktiv deltakelse. Har møteog talerett, men ikke stemmerett eller valgbarhet.
Last updated: 2026-09-23

Alumni (alumni)

EN: New Bylaws only. A member whose Membership Contract ended without being renewed, automatically receives Alumni status.
NO: Kun under Nye Vedtekter. Et medlem hvis medlemskontrakt er avsluttet uten å bli fornyet, får automatisk alumnistatus.
Last updated: 2026-09-23

Governance, responsibility, delegation, signature

Responsibility (ansvar)

EN: A genuine leadership obligation assigned to a member, distinct from an ordinary task. Receiving Responsibility makes a member a Core Member.
NO: En reell lederforpliktelse tildelt et medlem, til forskjell fra en ordinær oppgave. å motta ansvar gjør et medlem til kjernemedlem.
Last updated: 2026-09-23

Responsibility Letter / Contract (ansvarsbrev / ansvarskontrakt)

EN: The signed document that transfers a Responsibility from one person ("From") to another ("To"), logged afterwards by the Board.
NO: Det signerte dokumentet som overfører et ansvar fra en person ("Fra") til en annen ("Til"), som deretter logges av styret.
Last updated: 2026-09-23

Authority / Mandate (fullmakt)

EN: The right to make decisions and bind the organisation on the CEO's behalf, within an assigned area of responsibility.
NO: Retten til å treffe beslutninger og forplikte foreningen på vegne av CEO innenfor et angitt ansvarsområde.
Last updated: 2026-09-23

Delegation (delegasjon)

EN: Transfer of Authority from the CEO to another Board member (New Bylaws §14.2), or onward from a Board member to a Project Lead or Team Lead for defined tasks (§14.6).
NO: Overføring av fullmakt fra CEO til et annet styremedlem (Nye Vedtekter §14.2), eller videre fra et styremedlem til en prosjektleder eller teamleder for definerte oppgaver (§14.6).
Last updated: 2026-09-23

Signature Right (signaturrett)

EN: The right to sign binding agreements on the organisation's behalf. Old Bylaws: held jointly by the Board. New Bylaws: held solely by the CEO, who may delegate it directly to other Board members.
NO: Retten til å signere bindende avtaler på vegne av foreningen. Gamle Vedtekter: innehas i fellesskap av styret. Nye Vedtekter: innehas alene av CEO, som kan delegere den direkte til andre styremedlemmer.
Last updated: 2026-09-23

Meetings and voting

Meeting Chair (ordstyrer)

EN: Chairs the General Assembly, manages the speakers' list and enforces meeting procedure.
NO: Leder generalforsamlingen, fører taleliste og håndhever møtereglene.
Last updated: 2026-09-23

Secretary / Minutes Taker (referent)

EN: Records the Protocol of the General Assembly.

NO: Fører protokoll fra generalforsamlingen.
Last updated: 2026-09-23

Vote Counters (tellekorps)

EN: Two neutral members who count votes not otherwise counted by the Election and Control Committee, and record the number of eligible voters present.
NO: To nøytrale medlemmer som teller stemmer som ikke telles av valgog kontrollkomiteen, og registrerer antall fremmøtte stemmeberettigede.
Last updated: 2026-09-23

Protocol Signers (protokollunderskrivere)

EN: Two members elected to check and sign the Protocol as an accurate record of the General Assembly.
NO: To medlemmer valgt til å kontrollere og signere protokollen som en korrekt fremstilling av generalforsamlingen.
Last updated: 2026-09-23

Case (sak)

EN: An item on the Agenda to be presented, discussed and resolved by the General Assembly.
NO: Et punkt på sakslisten som skal presenteres, diskuteres og avgjøres av generalforsamlingen.
Last updated: 2026-09-23

Case Paper (sakspapir)

EN: The written document prepared for a Case, following the Case Template.
NO: Det skriftlige dokumentet utarbeidet for en sak, etter saksmalen.
Last updated: 2026-09-23

Right to Propose (forslagsrett)

EN: The right to submit Cases and Amendments to the General Assembly. Held by all members with voting rights, and by Mentors.
NO: Retten til å melde inn saker og fremme endringsforslag til generalforsamlingen. Innehas av alle medlemmer med stemmerett, samt mentorer.
Last updated: 2026-09-23

Amendment (endringsforslag)

EN: A proposal to change a Case already on the Agenda, submitted in writing before the deadline.
NO: Forslag om endring av en sak som allerede står på sakslisten, fremmet skriftlig før fristen.
Last updated: 2026-09-23

Floor Amendment (benkeforslag)

EN: At the General Assembly itself: (a) in the ordinary sense, a new candidate nominated from the floor during a Case's presentation and discussion, per New Bylaws §11.3; the term is not used in these documents for last-minute changes to Case text, which are not permitted after the Amendment deadline.
NO: På selve generalforsamlingen: (a) i vanlig forstand, en ny kandidat nominert fra salen under presentasjon og diskusjon av en sak, jf. Nye Vedtekter §11.3; begrepet brukes ikke i disse dokumentene om sist-liten endringer i saksteksten, som ikke er tillatt etter fristen for endringsforslag.
Last updated: 2026-09-23

Advance Nomination (forhåndsbenking)

EN: Nomination of a candidate before the General Assembly, in response to the Election and Control Committee's (or, under the Old Bylaws, the Board's) call for candidates.
NO: Nominasjon av en kandidat før generalforsamlingen, som svar på valgog kontrollkomiteens (eller, under Gamle Vedtekter, styrets) oppfordring til forhåndsbenking.
Last updated: 2026-09-23

Eligible Voter (stemmeberettiget)

EN: A member with voting rights at the General Assembly: Board Members, Core Members and Active Members.
NO: Et medlem med stemmerett på generalforsamlingen: styremedlemmer, kjernemedlemmer og aktive medlemmer.
Last updated: 2026-09-23

Voting Order (voteringsorden)

EN: The sequence in which proposals on a Case are put to a vote, structured to require as few individual votes as possible while resolving every proposal unambiguously.
NO: Rekkefølgen forslagene til en sak stemmes over i, strukturert for å kreve så få enkeltavstemninger som mulig, samtidig som hvert forslag avgjøres entydig.
Last updated: 2026-09-23

Constitution of the Meeting (konstituering)

EN: The opening case of the General Assembly: election of Meeting Chair, Secretary, Vote Counters and Protocol Signers, approval of the Notice and Agenda, and verification of eligible voters present.
NO: Åpningssaken på generalforsamlingen: valg av ordstyrer, referent, tellekorps og protokollunderskrivere, godkjenning av innkalling og saksliste, og verifisering av fremmøtte stemmeberettigede.
Last updated: 2026-09-23

Other

Bylaws (vedtekter)

EN: The organisation's founding governance document. See "Old Bylaws" and "New Bylaws".
NO: Foreningens grunnleggende styringsdokument. Se "Gamle vedtekter" og "Nye vedtekter".
Last updated: 2026-09-23

Old Bylaws (gamle vedtekter)

EN: The Bylaws in force immediately before this General Assembly, in 13 sections (§§1–13).
NO: Vedtektene som gjelder umiddelbart før denne generalforsamlingen, i 13 paragrafer (§§1–13).
Last updated: 2026-09-23

New Bylaws (nye vedtekter)

EN: The proposed restructured Bylaws, in 18 sections across five parts (§§1–18), submitted for adoption at this General Assembly.
NO: De foreslåtte omstrukturerte vedtektene, i 18 paragrafer fordelt på fem deler (§§1–18), fremmet for vedtak på denne generalforsamlingen.
Last updated: 2026-09-23

Document ID (dokument-ID)

EN: The stable identifier assigned to every document in this set, format `YYH/V-ECL-GA-TYPEn` (e.g. `26H-ECL-GA-CASE0`), allowing documents to cross-reference each other regardless of final Case numbering. See the ID and Abbreviations Reference (26H-ECL-GA-REF1) for the full scheme.
NO: Den stabile identifikatoren tildelt hvert dokument i dette settet, på formatet `YYH/V-ECL-GA-TYPEn` (f.eks. `26H-ECL-GA-CASE0`), som gjør det mulig for dokumenter å referere til hverandre uavhengig av endelig saksnummerering. Se ID- og forkortelsesreferansen (26H-ECL-GA-REF1) for hele systemet.

1. General Assembly Document IDs **1**

1.1 Format 1

1.2 Parts 1

1.3 Type abbreviations 1

1.4 Worked examples 2

2. General file-naming convention (non-governance files) **2**

Document ID: 26H-ECL-GA-REF1
Meeting: 30 September 2026, 12:15, Festsalen, NMBU
Purpose: explains the Document ID scheme used across the General Assembly document set, and, separately, the general file-naming convention used for other Eclipse NMBU files (technical files such as CAD/STL models, software and Docker configuration, and other project files) that are not part of a General Assembly document set.

1. General Assembly Document IDs

1.1 Format

Every General Assembly document has an ID of the form:

YYH/V-ECL-GA-TYPEn

For example, `26H-ECL-GA-CASE0` or `27V-ECL-GA-AGD1`. Each file's name matches its own Document ID exactly (e.g. `26H-ECL-GA-CASE0.tex`).

1.2 Parts

Part	Meaning
`YY`	Last two digits of the calendar year, e.g. `26` for 2026.
`H/V`	Semester half: `H` for Høst (autumn), `V` for Vår (spring).
`ECL`	Organisation code: Eclipse NMBU.
`GA`	Scope code: this document belongs to a General Assembly document set (as opposed to, e.g., a Board-only or project-only document set outside this scheme).
`TYPE`	Document type abbreviation, see §1.3.
`n`	Sequence number of this document within its type, for this semester's General Assembly. No leading zero.
(suffix)	An optional trailing letter (`A`, `B`, `C`, …) marks an alternate or attachment of the same numbered document, e.g. `CASE5A` and `CASE5B` are the two mutually exclusive outcomes of Case 6, and `CASE4A`–`CASE4E` are the main text and attachments of Case 5.

1.3 Type abbreviations

Type	Meaning
`OVW`	Overview of the meeting, Cases and the whole document set.
`NOT`	Notice of Meeting (innkalling).
`AGD`	Agenda (saksliste).
`TPL`	Case Template (saksmal).
`PROC`	Procedure document: `PROC1` is the Amendment Submission Procedure, `PROC2` is the Full Meeting Procedure.
`CASE`	A Case Paper, numbered in Agenda order (`CASE0` for Case 1, `CASE1` for Case 2, and so on); a lettered suffix marks an alternate outcome or attachment.

Type	Meaning
CAND	Candidate Documentation (kandidatsamtykke and related forms).
BALLOT	A ballot. Only candidate elections use ballots.
VOTORD	Voting Order (voteringsorden).
PROT	Meeting Protocol (protokoll).
MEMB	Membership Contract (medlemskontrakt).
RESP	Responsibility and Signature Contract, or the Board Record of such contracts.
DUMMY	GF for Dummies: the plain-language, non-binding guide.
GLOSS	Multilingual Organisational Glossary.
TIME	Timetable and Directions.
REF	This ID and Abbreviations Reference.
FULL	The full, combined, printable edition of the document set.

1.4 Worked examples

- 26H-ECL-GA-AGD1: the Agenda for the autumn 2026 General Assembly.
- 26H-ECL-GA-NOT1: the Notice of Meeting for the same General Assembly.
- 26H-ECL-GA-CASE0, CASE1, CASE2, CASE3: Cases 1–4 of the same General Assembly.
- 27V-ECL-GA-AGD1: the Agenda for the following, spring 2027 General Assembly – a new semester restarts the sequence numbers from 1 for each type.

2. General file-naming convention (non-governance files)

Files that are not part of a General Assembly document set, such as CAD or STL models, engineering drawings, software and Docker configuration, and other project working files, do not use the Document ID scheme in §1. They instead use the Association's general file-naming convention:

Sem__Org__Prosjekt__Type__Fase__Beskrivelse__Versjon.ext

Part	Meaning
Sem	Semester, e.g. H26 or V27 (Høst/Vår and year).
Org	Organisational unit responsible for the file, e.g. a C-suite area or team.
Prosjekt	The project the file belongs to.
Type	The kind of file, e.g. Rapport (report), Tegning (drawing), Budsjett (budget).
Fase	The project phase the file was produced in, e.g. MCR or SRR (§16.1 of the New Bylaws) or an equivalent phase marker.
Beskrivelse	A short, specific description of the file's content.
Versjon	Version number, e.g. v1, v2.
.ext	The file's extension, e.g. .stl, .docx, .pdf.

This convention is independent of, and does not mix with, the General Assembly Document ID scheme in §1: a General Assembly document is never named using this pattern, and a project or technical file is never given a YYH/V-ECL-GA-TYPEn ID.
