Contents

Principle	1
1. Cases 1–6	1
2. Case 7: Bylaw Amendment (ECL-H2026-CASE-07A)	1
3. Case 8: C-suite structure (ECL-H2026-CASE-08A / 08B)	1
4. Case 9: Election of Board Members (ECL-H2026-CASE-06A / 06B)	2
5. Case 10: Other business	2

Document ID: ECL-H2026-VOTORD-01

Meeting: 30 September 2026, 12:00, Festsalen, NMBU

Purpose: the Meeting Chair proposes the Voting Order, and the General Assembly approves it before voting on Cases begins. This document sets the default order for this meeting; the Meeting Chair may propose adjustments at the meeting, subject to the General Assembly's approval.

Principle

The Voting Order aims for as few separate votes as possible while still resolving every proposal unambiguously. Amendments are voted on before the proposal they amend, and where several target the same point, the most far-reaching goes first: adopting it usually makes the narrower alternatives unnecessary. The Bylaw Amendment is the exception, since it follows its own two-stage sequence rather than the general Case order.

1. Cases 1–6

For each of Case 1 (Constitution of the Meeting), Case 2 (Approval of Notice), Case 3 (Approval of Agenda), Case 4 (Financial statements), Case 5 (Budget) and Case 6 (Semester report), in Agenda order:

1. Any Amendments to that Case are voted on first, most far-reaching first, against the current proposal (not against each other), by simple majority.
2. Once all Amendments to that Case are resolved, the (possibly amended) proposal is voted on as a whole.

2. Case 7: Bylaw Amendment (ECL-H2026-CASE-07A)

Per the two-stage procedure in ECL-H2026-CASE-07C:

1. **Stage 1:** vote on whether to adopt New Bylaws at all: 2/3 of all members.
2. **Stage 2, only if Stage 1 is adopted:** vote on each submitted Amendment to the proposed text, in the order submitted unless several target the same clause (in which case, most far-reaching first), by simple majority each.
3. No separate final ratification vote: Stage 1's "Yes" is the adoption of the text as it stands once Stage 2 concludes.

3. Case 8: C-suite structure (ECL-H2026-CASE-08A / 08B)

Case 8 is presented on ECL-H2026-CASE-08A if the Bylaw Amendment was adopted under Case 7, and on ECL-H2026-CASE-08B if it was not. No separate vote is required, since the roles follow automatically from the result of Case 7; it is simply recorded in the Meeting Protocol, and voted on only if an Amendment has been submitted against it.

4. Case 9: Election of Board Members (ECL-H2026-CASE-06A / 06B)

One vote per role, using Old Bylaws §4.7 mechanics. Each round (first round, and any second round per §4.7.2) is its own vote.

- On ECL-H2026-CASE-06A: CEO, then CTO, then CBO, then CPO, using ballot ECL-H2026-BALLOT-02A.
- On ECL-H2026-CASE-06B: CEO, then CTO, then CFO, then CMO, using ballot ECL-H2026-BALLOT-02B.

5. Case 10: Other business

Matters raised under Other business (Old Bylaws §4.8(i)) are voted on last, one at a time, by simple majority. No vote on Bylaw Amendments, elections, financial dispositions or dissolution may be taken here.
