

Coming Semester's Budget (budsjett kommende semester)

ECL-H2026-CASE-04 Case [TBD] Proposed by: the Board (CFO/CBO)

Background	Old Bylaws §4.8(f) and §12.2: the General Assembly reviews and approves a budget for the coming semester. <i>Note: §4.8(f) literally reads "god-kjenning av regnskap for kommende semester"; read with §12.2, which requires both a budget and a financial statement to always exist, this item means the coming-semester budget, matching the Master Drafting Prompt §7 – a non-substantive wording correction.</i>
Proposal	The General Assembly resolves to approve the budget for [COMING SEMESTER – TBD], as attached.
External information	Financial consequences: sets the spending framework for the coming semester; see attached budget for figures. Attachment: budget document [TBD].
