

Board Record – Responsibility Transfer

ECL-H2026-RESP-02

One entry per signed Responsibility & Signature Contract (ECL-H2026-RESP-01A or -01B). This log is the Board's record that the transfer took place; per proposed New Bylaws §14/§5.1, the transfer is effective on signature by From and To, and is considered approved by default – this log does not itself approve the transfer, it records it.
