What it says now	
What I want it to say	Authorize the C-suite to make grammatical, spelling and typographical corrections to the bylaws without a further vote of the General Assembly. Such corrections may include punctuation, wording, formatting, numbering and cross-references, provided that they do not change the meaning or effect of any provision. The C-suite shall report all such changes to the members at the next General Assembly.

Submission note: Amendments must identify one specific case and include exact replacement wording. Anonymous amendments, and amendments submitted after voting on Cases has begun, are not accepted.
