

## Previous Semester's Financial Statements (regnskap forrige semester)

ECL-H2026-CASE-03 Case [TBD] Proposed by: the Board (CFO/CBO)

|                             |                                                                                                                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Background</b>           | Old Bylaws §4.8(e) and §12.2: the General Assembly reviews and approves the financial statement (regnskap) for the previous semester.                                                              |
| <b>Proposal</b>             | The General Assembly resolves to approve the financial statement for [PREVIOUS SEMESTER: TBD], as attached.                                                                                        |
| <b>External information</b> | Financial consequences: none from the approval itself; the statement documents actual income and expenditure for the previous semester. Attachment: financial statement / regnskap document [TBD]. |
