**Document ID:** ECL-H2026-VOTORD-01

**Meeting:** 30 September 2026, 12:00, Festsalen, NMBU

**Purpose:** the Meeting Chair proposes the Voting Order, and the General Assembly approves it before voting on Cases begins. This document sets the default order for this meeting; the Meeting Chair may propose adjustments at the meeting, subject to the General Assembly's approval.

## Principle

The Voting Order requires as few separate votes as possible while still resolving every proposal unambiguously. Amendments are voted on before the proposal they amend; where several Amendments target the same point, the most far-reaching is voted on first (if adopted, it usually makes narrower alternatives to the same point unnecessary); and the Bylaw Amendment follows its own two-stage sequence.

## 1. Cases 1–6

For each of Case 1 (Constitution of the Meeting), Case 2 (Approval of Notice), Case 3 (Approval of Agenda), Case 4 (Financial statements), Case 5 (Budget) and Case 6 (Semester report), in Agenda order:

1. Any Amendments to that Case are voted on first, most far-reaching first, against the current proposal (not against each other), by simple majority.
2. Once all Amendments to that Case are resolved, the (possibly amended) proposal is voted on as a whole.

## 2. Case 7: Bylaw Amendment (ECL-H2026-CASE-07A)

Per the two-stage procedure in ECL-H2026-CASE-07C:

1. **Stage 1:** vote on whether to adopt New Bylaws at all: 2/3 of all members.
2. **Stage 2, only if Stage 1 is adopted:** vote on each submitted Amendment to the proposed text, in the order submitted unless several target the same clause (in which case, most far-reaching first), by simple majority each.
3. No separate final ratification vote: Stage 1's "Yes" is the adoption of the text as it stands once Stage 2 concludes.

## 3. Case 8: C-suite structure (ECL-H2026-CASE-08A / 08B)

Case 8 is presented on ECL-H2026-CASE-08A if the Bylaw Amendment was adopted under Case 7, and on ECL-H2026-CASE-08B if it was not. No separate vote is required: the roles follow from the result of Case 7. Case 8 is recorded in the Meeting Protocol, and is voted on only if an Amendment has been submitted against it.

#### **4. Case 9: Election of Board Members (ECL-H2026-CASE-06A / 06B)**

One vote per role, using Old Bylaws §4.7 mechanics. Each round (first round, and any second round per §4.7.2) is its own vote.

- On ECL-H2026-CASE-06A: CEO, then CTO, then CBO, then CPO, using ballot ECL-H2026-BALLOT-02A.
- On ECL-H2026-CASE-06B: CEO, then CTO, then CFO, then CMO, using ballot ECL-H2026-BALLOT-02B.

#### **5. Case 10: Other business**

Matters raised under Other business (Old Bylaws §4.8(i)) are voted on last, one at a time, by simple majority. No vote on Bylaw Amendments, elections, financial dispositions or dissolution may be taken here.
