Document ID: ECL-H2026-NOT-01

Governing Bylaws: Old Bylaws (gamle vedtekter) – the New Bylaws are not yet adopted, so their timing rules (New Bylaws §8.3) do not apply to this meeting; the Old Bylaws' §4.5/§4.6 timing rules do.

Cross-references: Agenda (ECL-H2026-AGD-01), Case Template (ECL-H2026-TPL-01), Amendment Submission Procedure (ECL-H2026-PROC-01), Bylaw Amendment Proposal (ECL-H2026-CASE-07A/07B/07C), Meeting Protocol (ECL-H2026-PROT-01).

1. Meeting details

- **Date:** [DATE – TBD, must fall on or before the end of April per Old Bylaws §4.2]
- **Time:** [TIME – TBD]
- **Location:** [LOCATION – TBD]

2. Nature of this General Assembly

This is a General Assembly with elections (valggeneralforsamling): all four Board (styret) positions are up for election, per Old Bylaws §4.7.

A Bylaw Amendment (vedtektsendring) is on the agenda. The General Assembly will be asked to consider replacing the current Bylaws (Old Bylaws) with the proposed New Bylaws (nye vedtekter), see the Bylaw Amendment Proposal, ECL-H2026-CASE-07A/07B. Adoption requires 2/3 of all members of Eclipse NMBU to vote in favour, per Old Bylaws §4.6.

The C-suite election is on the agenda. Because the outcome of the Bylaw Amendment vote determines which C-suite structure is being elected into, a Transitional C-suite Case (ECL-H2026-CASE-08) precedes the Election of Board Members case and fixes which roles are open depending on whether the Bylaw Amendment passes:

- **If the Bylaw Amendment passes:** CEO, CTO, CBO, CPO are elected.
- **If the Bylaw Amendment fails:** CEO, CTO, CFO, CMO are elected (i.e. the current structure continues).

In both cases, election follows the Old Bylaws §4.7 election mechanics (the Election and Control Committee introduced by the New Bylaws does not yet exist and cannot run this election).

3. Deadlines

- **Deadline for submitting Cases (saker):** [DATE – TBD], such that Case Papers can be made available to members no later than one week before the General Assembly, per Old Bylaws §4.5.
- **Deadline for Amendments (endringsforslag):** [DATE – TBD], together with the publication of Case Papers (one week before the General Assembly). See the Amendment Submission Procedure, ECL-H2026-PROC-01, §1, for why this date is used: the Old Bylaws do not fix a separate Amendment deadline, so the Case Papers deadline is used as the operative cut-off pending Board confirmation.

- **Deadline for the Bylaw Amendment proposal reaching the Board:** at least one week before the General Assembly, per Old Bylaws §4.6. This is satisfied by the Case Papers deadline above.
- **Deadline/procedure for Advance Nominations (forhåndsbenking):** candidates wishing to be nominated in advance of the meeting should notify the Board by [DATE – TBD], the same date as the Case submission deadline. Candidates who cannot attend in person may submit a written candidature; see Candidate Documentation, ECL-H2026-CAND-01. Nomination from the floor (benkeforslag) remains possible during the meeting itself.

4. Case Papers

Case Papers (sakspapirer), including the Agenda, the full Bylaw Amendment Proposal and all Standard Case Papers, will be made available to members no later than one week before the General Assembly, per Old Bylaws §4.5.

5. Voting rights

Per Old Bylaws §10.2, Board Members, Core Members and Active Members have voting rights and are eligible for office. All members, including Inactive Members, have the right to attend. Proxy voting is not permitted (Old Bylaws §4.3; also prohibited under the New Bylaws §8.4.3) – no member may vote on another member's behalf, in person or by any form of power of attorney.
